

designed to continue to ensure that the Exchange is so organized and has the capacity to carry out the purposes of Act and to comply, and enforce compliance by its members with the provisions of the Act and the rules and regulations thereunder, and rules of the Exchange. The Exchange is proposing amendments to the Operative Documents to effectuate its name change to Bats EDGA Exchange, Inc. and to reflect the name changes of its affiliates. These changes are limited to capitalization and ministerial name changes and to reflect similar proposed rule changes to be submitted to the Commission by the Exchange's affiliates. The Exchange believes that the changes will protect investors and the public interest by eliminating confusion that may exist because of differences between its corporate name and the new naming conventions of the Parent and its subsidiaries, including the Exchange.

B. Self-Regulatory Organization's Statement on Burden on Competition

Because the rule change proposes ministerial changes related to the administration, and not the governance or operation, of the Exchange, the Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from Members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because it is concerned solely with the administration of the Exchange, the foregoing proposed rule change has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act¹² and Rule 19b-4(f)(3) thereunder.¹³

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (1) Necessary or appropriate in the public interest; (2) for the protection of investors; or (3) otherwise in furtherance of the purposes of the Act.

If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE., Washington, DC 20549–2736.

Extension: Appendix F to Rule 15c3–1; SEC File No. 270–440, OMB Control No. 3235–0496.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) (“PRA”), the Securities and Exchange Commission (“Commission”) has submitted to the Office of Management and Budget (“OMB”) a request for approval of extension of the previously approved collection of information provided for in Appendix F to Rule 15c3–1 (“Appendix

F” or “Rule 15c3–1f”) (17 CFR 240.15c3–1f) under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*).

Appendix F requires a broker-dealer choosing to register, upon Commission approval, as an OTC derivatives dealer to develop and maintain an internal risk management system based on Value-at-Risk (“VaR”) models. It is anticipated that a total of one (1) broker-dealer registering as an OTC derivatives dealer will spend 1,000 hours on a one-time basis complying with the system development requirements of Rule 15c3–1f, for an estimated one-time initial startup burden of approximately 1,000 hours. Appendix F also requires the OTC derivatives dealer to maintain its system model according to certain prescribed standards. It is anticipated that the four (4) OTC derivatives dealers currently registered with the Commission will each spend 1,000 hours per year maintaining the system model required by Rule 15c3–1f, for an estimated recurring annual burden of approximately 4,000 hours. It is anticipated that the one (1) broker-dealer registering as an OTC derivatives dealer will spend 1,000 hours maintaining the system model required by Rule 15c3–1f in each year following its registration. Thus, the total industry-wide burden is estimated to be approximately 5,000 hours (4,000 hours + 1,000 hours) for the first year and 5,000 hours for each subsequent year.¹

The records required to be kept pursuant to Appendix F and results of periodic reviews conducted pursuant to Rule 15c3–4 generally must be preserved under Rule 17a–4 of the Exchange Act (17 CFR 240.17a–4) for a period of not less than three years, the first two years in an easily accessible place. The Commission will not generally publish or make available to any person notices or reports received pursuant to the Rule. The statutory basis for the Commission’s refusal to disclose such information to the public is the exemption contained in Section (b)(4) of the Freedom of Information Act (5 U.S.C. 552), which essentially provides that the requirement of public dissemination does not apply to commercial or financial information which is privileged or confidential.

An agency may not conduct or sponsor, and a person is not required to

¹ The Commission estimates that a total of five entities will be registered as OTC derivatives dealers at the end of the next three years, consisting of the four current OTC derivatives dealers and one anticipated registrant. This is in contrast with the prior estimate of eight OTC derivatives dealers, consisting of four current OTC derivatives dealers and four anticipated registrants.
