DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-5907-N-11]

Federal Property Suitable as Facilities To Assist the Homeless

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for use to assist the homeless.

FOR FURTHER INFORMATION CONTACT: Juanita Perry, Department of Housing and Urban Development, 451 Seventh Street SW., Room 7266, Washington, DC 20410; telephone (202) 402-3970; TTY number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 800-927-7588.

SUPPLEMENTARY INFORMATION: In accordance with 24 CFR part 581 and

section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, and suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where property is described as for "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to: Ms. Theresa M. Ritta, Chief Real Property Branch, the Department of Health and Human Services, Room 5B-17, Parklawn Building, 5600 Fishers Lane, Rockville, MD 20857, (301)-443-2265 (This is not a toll-free number). HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the

homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to Ann Marie Oliva at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

BILLING CODE 4210-67-P

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-5173-N-08]

Affirmatively Furthering Fair Housing Assessment Tool for States and Insular Areas: Solicitation of Comment—60-Day Notice Under Paperwork Reduction Act of 1995

AGENCY: Office of the Assistant Secretary for Fair Housing and Equal Opportunity, HUD.

ACTION: Notice.

SUMMARY: On July 16, 2015, HUD published the Affirmatively Furthering Fair Housing (AFFH) final rule that provides HUD program participants with a new process for planning for fair housing outcomes that will assist them in meeting their statutory obligation to affirmatively further fair housing. This process includes an assessment tool that must be used by program participants to evaluate fair housing choice and access to opportunity in their jurisdictions, to identify barriers to fair housing choice and opportunity at the local and regional levels, and to set fair housing goals to overcome such barriers and advance fair housing choice.

HUD committed to issue three assessment tools for its program participants covered by the AFFH final rule. One assessment tool is for use by local governments (Local Government Assessment Tool) that receive assistance under certain grant programs administered by HUD's Office of Community Planning and Development (CPD), as well as by joint and regional collaborations between: (i) Local governments; (ii) one or more local governments and one or more public housing agency (PHA) partners; and (iii) other collaborations in which such a local government is designated as the lead for the collaboration. The second tool (the subject of this Notice) is to be used by States and Insular Areas (State and Insular Area Assessment Tool), including joint or regional collaborations (with local governments and/or PHAs) where the State is designated as the lead entity. The third assessment tool is for PHAs (including for joint collaborations among multiple PHAs) (PHA Assessment Tool). On December 31, 2015, HUD issued the Local Government Assessment.

This notice solicits public comment for a period of 60 days on the proposed State and Insular Area Assessment Tool. In seeking comment for a period of 60 days, this notice commences the process for compliance with the Paperwork Reduction Act of 1995 (PRA). The PRA requires two public comment periods—a public comment period of 60 days and a second comment period of 30 days. After consideration of the public comments submitted in response to this notice, HUD will solicit a second round of public comments for a period of 30 days.

To further facilitate public input on the State and Insular Areas Assessment Tool, HUD will post sample maps and tables that are intended to provide options for presenting relevant data. Sample data will be posted on <https://www.hudexchange.info/programs/affh/> and https://www.huduser.gov/portal/affht_pt.html no later than March 18, 2016.
