

collateral attack on the State Board's proceeding, whose order suspending her state authority remains in effect as of this date. The Agency has held, however, "that a registrant cannot collaterally attack the result of a state criminal or administrative proceeding in a proceeding under section 304, 21 U.S.C. 824, of the CSA." *Muzaffer Aslan*, 77 FR 37068, 37069 (2012) (other citations omitted). "Rather, Respondent's challenge to the validity of the [Nursing Board's] Order must be litigated in the forums provided by the State of [Arkansas], and [her] contentions regarding the validity of the [Board's] order are not material to this Agency's resolution of whether [she] is entitled to maintain [her] DEA registration in" Arkansas. *Id.*

Because it is undisputed that Respondent's Arkansas Advanced Practice Nursing License remains suspended, I find that she no longer has authority under the laws of Arkansas, the State in which she is registered, to dispense controlled substances. See Ark. Code Ann. Section 17-87-310 (b)(1) ("An advanced practice registered nurse with a certificate of prescriptive authority may receive and prescribe drugs, medicines, or therapeutic devices appropriate to the advanced practice registered nurse's areas of practice in accordance with rules established by the Arkansas State Board of Nursing."). Therefore, she is not entitled to maintain her DEA registration. See 21 U.S.C. 802(21), 823(f), 824(a)(3). Accordingly, I will order that her registration be revoked and that any pending application to renew or modify her registration be denied.³

Order

Pursuant to the authority vested in me by 21 U.S.C. 823(f) and 824(a), as well as 28 CFR 0.100(b), I order that DEA Certificate of Registration MR1972632,

issued to Kristen Lee Raines, A.P.R.N., be, and it hereby is, revoked. I further order that any application of Kristen Lee Raines, A.P.R.N., to renew or modify this registration be, and it hereby is, denied. This Order is effective immediately.⁴

Dated: March 11, 2016.

Chuck Rosenberg,
Acting Administrator.

DEPARTMENT OF LABOR

Employment and Training Administration

Agency Information Collection Activities; Comment Request for State Retention of Applications and Job Orders

ACTION: Notice.

SUMMARY: The Department of Labor (DOL) is soliciting comments concerning a proposed extension without changes of the data retention required by CFR 652.8(d)(5) of the Wagner-Peyser Act. This comment request is part of continuing Departmental efforts to reduce paperwork and respondent burden in accordance with the Paperwork Reduction Act of 1995 (PRA), 44 U.S.C. 3501 *et seq.*

DATES: Consideration will be given to all written comments received by May 17, 2016.

ADDRESSES: A copy of this ICR with applicable supporting documentation; including a description of the likely respondents, proposed frequency of response, and estimated total burden may be obtained free by contacting the U.S. Department of Labor, Employment and Training Administration, Attention: Adriana Kaplan, by telephone at (202) 693-3740 (this is not a toll free number), by email, at kaplan.adriana@dol.gov, TTY/TDD, 1-877-889-5627, (this is a toll-free number), by fax at (202) 693-3587, or by email at 200 Constitution Avenue NW., Room S-4209, Washington, DC 20210.

³ While Respondent also asked that I stay the revocation of her registration pending the resolution of the criminal case and nursing board proceeding, I decline to do so. As the Agency has previously explained, "in circumstances similar to those raised by Respondent, DEA has repeatedly denied requests to stay the issuance of a final order of revocation, noting that [u]nder the Controlled Substances Act, a practitioner must be currently authorized to handle controlled substances in the jurisdiction in which [she] practices in order to maintain [her] DEA registration." *Gregory F. Saric*, 76 FR 16821, 16822 (2011) (internal quotations and citations omitted). Of further note, Respondent's advanced practice nursing license was suspended more than 8 months ago, and yet her license still remains suspended. And while Respondent asserts that the Nursing Board's suspension is the result of the wrongful indictment, she ignores that the Board's order also relied on her having "prescribed opioids from November 13, 2014 through January 7, 2015 without prescriptive authority." Nursing Board Order, at 2.

⁴ For the same reasons which led the Nursing Board to conclude "that an emergency exists constituting a threat to the public health, safety and welfare" and to order the summary suspension of Respondent's licenses, I conclude that the public interest necessitates that this Order be effective immediately. 21 CFR 1316.67.

Authority: 44 U.S.C. 3506(c)(2)(A).
