

protection. As a matter of enforcement policy, the Office of Aviation Enforcement and Proceedings will not take action against Public Charter applicants (including public charter operators, direct air carriers and securers) that do not submit an original and two copies of a charter prospectus so long as (1) the Public Charter applicant submits fully completed and signed electronic copies of the original documents of OST Forms 4532, 4533, 4534, and, if applicable, 4535 (including signatures); and (2) the Public Charter applicant continues to submit original financial documents such as Letters of Credit, Surety Trust Agreements, and Surety Bonds.

Burden Statement: Completion of all forms in a prospectus can be accomplished in approximately two hours (30 minutes per form) for new filers and one hour for amendments (existing filings). The forms are simplified and request only basic information about the proposed programs and the private sector filer. The respondent can submit a filing to operate for up to one year and include as many flights as desired, in most cases. If an operator chooses to make changes to a previously approved charter operation, then the operator is required by regulations to file revisions to its original prospectus.

Respondents: Private Sector: Air carriers; tour operators; the general public (including groups and individuals, corporations and Universities or Colleges, etc.).

Number of Respondents: 245.

Number of Responses: 1,782.

Total Annual Burden: 891.

Frequency of Responses

245 (respondents) \times 4 = 980

401 (amendments from the same respondents) \times 2 = 802

Total estimated responses: 980 + 802 = 1,782

The frequency of response is dependent upon whether the operator is requesting a new program or amending an existing prospectus. Variations occur due to the respondents' criteria. On average four responses (forms 4532, 4533, 4534 and/or 4535) are required for filing new prospectuses and two of the responses (forms) are required for amendments. The separate hour burden estimate is as follows:

Total Annual Burden: 891 hours.

Approximately 1,782 (responses) \times 0.50 (per form) = 891
