Electronic data is protected through user identification, passwords, database permissions and software controls. Access to records in the system is limited to authorized personnel who have a need to access the records in the performance of their official duties, and each user's access is restricted to only the functions and data necessary to perform that person's job responsibilities. System administrators and authorized users are trained and required to follow established internal security protocols and must complete all security, privacy, and records management training and sign the DOI Rules of Behavior. A privacy impact assessment was conducted to ensure appropriate controls and safeguards are in place to protect the information within the system.

RETENTION AND DISPOSAL:

Records in this system are maintained under the Minerals Management Service (MMS) Comprehensive Schedule approved by NARA (NC1-057-84-07), which include both permanent and temporary dispositions. These records are subject to litigation holds and permanent retention. Administrative records and general correspondence files have temporary dispositions and are maintained in accordance their respective records schedules dependent on the specific subject matter or function and retention requirements. Temporary mission files related to mineral resource, lease and royalty management activities are cut off at the close of the fiscal year then transferred to a Federal records center, one year after cutoff, and destroyed 7 years after cutoff. Approved disposition methods include shredding or pulping paper records, and degaussing or erasing electronic records in accordance with 384 Department Manual 1 and NARA guidelines.

SYSTEM MANAGER AND ADDRESS:

MRMSS Program Manager,
Information Management Center (IMC),
Office of Natural Resources Revenue,
U.S. Department of the Interior, P.O.
Box 25165, Lakewood, Colorado 80225.

NOTIFICATION PROCEDURES:

An individual requesting notification of the existence of records on himself or herself should send a signed, written inquiry to the System Manager identified above. The request envelope and letter should both be clearly marked "PRIVACY ACT INQUIRY." A request for notification must meet the requirements of 43 CFR 2.235.

RECORDS ACCESS PROCEDURES:

An individual requesting records on himself or herself should send a signed, written inquiry to the System Manager identified above. The signed request should describe the records sought as specifically as possible. The request envelope and letter should both be clearly marked "PRIVACY ACT REQUEST FOR ACCESS." A request for access must meet the content requirements of 43 CFR 2.238.

CONTESTING RECORDS PROCEDURES:

An individual requesting corrections or the removal of material from his or her records should send a signed, written request to the System Manager identified above. A request for corrections or removal must meet the requirements of 43 CFR 2.246.

RECORD SOURCE CATEGORIES:

Information in the system is obtained directly from lease and permit holders, current and former landowners and lessees, royalty payors and production operators, individuals who have reported rents, royalties, and bonuses from oil or other minerals or gas from producing or nonproducing Federal or Indian leases, current and former Federal employees and contractors, state and local government employees, and Tribal government officials. Information may also be obtained from DOI bureau and office records supporting revenue management and outreach activities including the Bureau of Ocean Energy Management, Bureau of Safety and Environmental Enforcement, Bureau of Land Management, Bureau of Indian Affairs, Office of the Special Trustee for American Indians, other offices or programs providing support or data for this system, and other Federal, state, tribal or local agencies.

EXEMPTIONS CLAIMED FOR THE SYSTEM:
