applicant's FAFSA information has been selected for verification and direct the applicant to contact the institution for further instructions for completing the verification process.

applicant and, if appropriate, the applicant's parent(s) or spouse, may be required to verify under 34 CFR 668.56. The chart also lists the acceptable documentation that must, under § 668.57, be provided to an institution for that information to be verified.

Note: In cases where documentation of an applicant's completion of a secondary school education is unavailable, <i>e.g.</i>, the secondary school is closed and information is not available from another source, such as the local school district or a State Department of Education, or in the case of homeschooling, the parent(s)/guardian(s) who provided the homeschooling is deceased, an institution may accept alternative documentation to verify the applicant's high school completion status (<i>e.g.</i>, DD Form 214 Certificate of Release or Discharge From Active Duty that indicates the individual is a high school graduate or equivalent). When documenting an applicant's high school completion status, an institution may rely on documentation it has already collected for purposes other than the Title IV verification requirements if the documentation meets the criteria outlined above (<i>e.g.</i>, high school transcripts maintained in the admissions office). Verification of high school completion status is not required if the institution successfully verified and documented the applicant's high school completion status for a prior award year.
Identity/Statement of Educational Purpose	(1) An applicant must appear in person and present the following documentation to an institutionally authorized individual to verify the applicant's identity— (a) An unexpired valid government-issued photo identification such as, but not limited to, a driver's license, non-driver's identification card, other State-issued identification, or passport. The institution must maintain an annotated copy of the unexpired valid government-issued photo identification that includes— i. The date the identification was presented; and ii. The name of the institutionally authorized individual who reviewed the identification; and (b) A signed statement using the exact language as follows, except that the student's identification number is optional if collected elsewhere on the same page as the statement: Statement of Educational Purpose I certify that I _____ am (Print Student's Name) the individual signing this Statement of Educational Purpose and that the Federal student financial assistance I may receive will only be used for educational purposes and to pay the cost of attending _____ for 2017–2018. (Name of Postsecondary Educational Institution) _____ (Student's Signature) (Date) _____ (Student's ID Number)

¹ An institution may accept a copy of the original 2015 income tax return for tax filers who are—

(a) Consistent with guidance that the Secretary may provide following the period after the IRS processes 2015 income tax returns, unable to use the IRS Data Retrieval Tool or obtain a transcript from the IRS;

(b) Unable to obtain a transcript at no cost from the taxing authority of a U.S. territory (Guam, American Samoa, the U.S. Virgin Islands) or commonwealth (Puerto Rico and the Northern Mariana Islands), or a foreign central government that lists 2015 tax account information of the tax filer;

The copy of the 2015 income tax return must include the signature of the tax filer or one of the filers of a joint income tax return or the signed, stamped, typed, or printed name and address of the preparer of the income tax return and the preparer's Social Security Number, Employer Identification Number, or Preparer Tax Identification Number.

For a tax filer who filed an income tax return other than an IRS form, such as a foreign or Puerto Rican tax form, the institution must use the income information (converted to U.S. dollars) from the lines of that form that correspond most closely to the income information reported on a U.S. income tax return.

An individual who did not retain a copy of his or her 2015 tax account information and that information cannot be located by the IRS or other relevant taxing authority, must submit to the institution—

(a) Copies of all IRS Form W-2s or equivalent documents;

(b) Documentation from the IRS or other relevant taxing authority that indicates the individual's 2015 tax account information cannot be located; and

(c) A signed statement that indicates that the individual did not retain a copy of his or her 2015 tax account information.

² An individual who is required to submit an IRS Form W-2 or an equivalent document but did not maintain his or her copy should request a duplicate from the employer who issued the original or from the government agency that issued the equivalent document. If the individual is unable to obtain a duplicate W-2 or an equivalent document in a timely manner, the institution may permit that individual to provide a signed statement, in accordance with 34 CFR 668.57(a)(6), that includes—

(a) The amount of income earned from work;

(b) The source of that income; and

(c) The reason why the IRS Form W-2 or an equivalent document is not available in a timely manner.
