

The copy of the 2015 income tax return must include the signature of the tax filer or one of the filers of a joint income tax return or the signed, stamped, typed, or printed name and address of the preparer of the income tax return and the preparer's Social Security Number, Employer Identification Number, or Preparer Tax Identification Number.

For a tax filer who filed an income tax return other than an IRS form, such as a foreign or Puerto Rican tax form, the institution must use the income information (converted to U.S. dollars) from the lines of that form that correspond most closely to the income information reported on a U.S. income tax return.

An individual who did not retain a copy of his or her 2015 tax account information and that information cannot be located by the IRS or other relevant taxing authority, must submit to the institution—

(a) Copies of all IRS Form W-2s or equivalent documents;

(b) Documentation from the IRS or other relevant taxing authority that indicates the individual's 2015 tax account information cannot be located; and

(c) A signed statement that indicates that the individual did not retain a copy of his or her 2015 tax account information.

² An individual who is required to submit an IRS Form W-2 or an equivalent document but did not maintain his or her copy should request a duplicate from the employer who issued the original or from the government agency that issued the equivalent document. If the individual is unable to obtain a duplicate W-2 or an equivalent document in a timely manner, the institution may permit that individual to provide a signed statement, in accordance with 34 CFR 668.57(a)(6), that includes—

(a) The amount of income earned from work;

(b) The source of that income; and

(c) The reason why the IRS Form W-2 or an equivalent document is not available in a timely manner.
