

RETRIEVABILITY:

DHS may retrieve records by name or other personal identifier.

SAFEGUARDS:

DHS safeguards records in this system in accordance with applicable rules and policies, including all applicable DHS automated systems security and access policies. Strict controls have been imposed to minimize the risk of compromising the information that is being stored. Access to the computer system containing the records in this system is limited to those individuals who have a need to know the information for the performance of their official duties and who have appropriate clearances or permissions.

RETENTION AND DISPOSAL:

The WLS maintains a near real-time feed of the TSDB, and does not retain historical copies of the TSDB. The WLS is synchronized with the TSDB. When the FBI/TSC adds, modifies, or deletes data from TSDB, WLS duplicates these functions almost simultaneously, and that information is then passed to DHS and its authorized Component systems. DHS does not manipulate the data within TSDB feed received by WLS. The authorized DHS Component that is screening individuals will maintain, separate from WLS, a record of a match or possible match with TSDB and DHS will retain this information in accordance with the DHS Component specific SORNs identified in this notice.

SYSTEM MANAGER AND ADDRESS:

Executive Director, Passenger Systems Program Directorate, Office of Information and Technology, U.S. Customs and Border Protection, 7400 Fullerton Rd, Springfield, VA 22153.

NOTIFICATION PROCEDURE:

The Secretary of Homeland Security has exempted this system from the notification, access, and amendment procedures of the Privacy Act because it is a law enforcement system. However, DHS and its Components will consider individual requests to determine whether or not information may be released. Thus, individuals seeking notification of and access to any record contained in this system of records, or seeking to contest its content, may submit a request in writing to the Headquarters or component Freedom of Information Act (FOIA) Officer, whose contact information can be found at <http://www.dhs.gov/foia> under "contacts." If an individual believes more than one component maintains Privacy Act records concerning him or her the individual may submit the

request to the Chief Privacy Officer and Chief FOIA Officer, Department of Homeland Security, 245 Murray Drive SW., Building 410, STOP-0655, Washington, DC 20528.

When seeking records about yourself from this system of records or any other Departmental system of records, your request must conform with the Privacy Act regulations set forth in 6 CFR part 5. You must first verify your identity, meaning that you must provide your full name, current address, and date and place of birth. You must sign your request, and your signature must either be notarized or submitted under 28 U.S.C. 1746, a law that permits statements to be made under penalty of perjury as a substitute for notarization. While no specific form is required, you may obtain forms for this purpose from the Chief Privacy Officer and Chief FOIA Officer at <http://www.dhs.gov/foia> or 1-866-431-0486. In addition, you should:

- Explain why you believe the Department would have information on you;
- Identify which Component(s) of the Department you believe may have the information about you;
- Specify when you believe the records would have been created; and
- Provide any other information that will help the FOIA staff determine which DHS component agency may have responsive records.

If your request is seeking records pertaining to another living individual, you must include a statement from that individual certifying his/her agreement for you to access his or her records.

Without the above information, the Component(s) may not be able to conduct an effective search, and your request may be denied due to lack of specificity or lack of compliance with applicable regulations.

In addition, if individuals are uncertain what agency handles the information, they may seek redress through the DHS Traveler Inquiry Redress Program (DHS TRIP), 72 FR 2294, Jan. 18, 2007. Individuals who believe they have been improperly denied entry, refused boarding for transportation, or identified for additional screening by DHS may submit a redress request through DHS TRIP. The DHS TRIP is a single point of contact for individuals who have inquiries or seek resolution regarding difficulties they experienced during their travel screening at transportation hubs such as airports and train stations or crossing U.S. borders. Redress requests should be sent to: DHS Traveler Redress Inquiry Program, 601 South 12th Street, TSA-901, Arlington, VA

SUPPLEMENTARY INFORMATION:

I. Abstract. The Captive Wildlife Safety Act (CWSA) amends the Lacey Act by making it illegal to import, export, buy, sell, transport, receive, or acquire, in interstate or foreign commerce, live lions, tigers, leopards, snow leopards, clouded leopards, cheetahs, jaguars, or cougars, or any hybrid combination of any of these species, unless certain exceptions are met. There are several exemptions to the prohibitions of the CWSA, including accredited wildlife sanctuaries.

There is no requirement for wildlife sanctuaries to submit applications to qualify for the accredited wildlife sanctuary exemption. Wildlife sanctuaries themselves will determine if they qualify. To qualify, they must meet all of the following criteria:

- Approval by the United States Internal Revenue Service (IRS) as a corporation that is exempt from taxation under section 501(a) of the Internal Revenue Code of 1986, which is described in sections 501(c)(3) and 170(b)(1)(A)(vi) of that code.
- No engagement in commercial trade in the prohibited wildlife species, including offspring, parts, and products.
- No propagation of the prohibited wildlife species.
- No direct contact between the public and the prohibited wildlife species.

The basis for this information collection is the recordkeeping requirement that we place on accredited wildlife sanctuaries. We require accredited wildlife sanctuaries to maintain complete and accurate records of any possession, transportation, acquisition, disposition, importation, or exportation of the prohibited wildlife species as defined in the CWSA (50 CFR 14, subpart K). Records must be up to date and include: (1) Names and addresses of persons to or from whom any prohibited wildlife species has been acquired, imported, exported, purchased, sold, or otherwise transferred; and (2) dates of these transactions. Accredited wildlife sanctuaries must:

- Maintain these records for 5 years.
- Make these records accessible to Service officials for inspection at reasonable hours.
- Copy these records for Service officials, if requested.
