The Commission is publishing this notice to solicit comments on the proposed rule from interested persons.

I. Board’s Statement of the Terms of Substance of the Proposed Rule

On October 22, 2007, the Board filed the amendments with the Commission and requested Commission approval (“the original rule filing”). On February 26, 2016 the Board adopted revisions to those proposed amendments and, on March 24, 2016 amended the rule filing to reflect those revisions. The text of the revised proposed amendments is set out below. Language added to the Board’s currently effective rules by these amendments is italicized. (d) Notwithstanding paragraph (b) of this Rule, with respect to any registered

public accounting firm that became registered in 2003 or 2004—

(1) this Rule does not require the first inspection of the firm sooner than the fourth calendar year following the first calendar year in which the firm, while registered, issued an audit report *with respect to an issuer* [or played a substantial role in the preparation or furnishing of an audit report]; and

(2) this Rule does not require the second inspection of the firm sooner than the fifth calendar year following the first calendar year in which the firm, while registered, issued an audit report *with respect to an issuer* [or played a substantial role in the preparation or furnishing of an audit report].

(h) *In each calendar year, the Board shall conduct regular inspections of some registered public accounting firms that reported on an annual report on Form 2 having played a substantial role in the preparation or furnishing of an audit report with respect to an issuer in any of the four most recent annual reporting periods through March 31 of that calendar year without having reported on an annual report on Form 2 having issued an audit report with respect to an issuer in any of those reporting periods.
