SUPPLEMENTARY INFORMATION:

I. Background

Section 4(j) of the Consumer Product Safety Act (“CPSA”) (15 U.S.C. 2053(j)) requires the Commission to establish an agenda for action under the laws the Commission administers, and to the extent feasible, select priorities for action at least 30 days before the beginning of each fiscal year. Section 4(j) of the CPSA provides further that before establishing its agenda and priorities, the Commission conduct a public hearing and provide an opportunity for the submission of comments.

The Commission is in the process of preparing the agency’s fiscal year 2017 Operating Plan and fiscal year 2018 Congressional Budget Request. Fiscal year 2017 begins on October 1, 2016, and fiscal year 2018 begins on October 1, 2017. The Commission’s priorities for fiscal years 2017 and 2018 will align with the CPSC’s 2016–2020 Strategic Plan, which was released for public comment in February 2016. Through this notice, the Commission invites the public to comment on the following questions:

1. What are the priorities the Commission should consider emphasizing and dedicating resources toward in the fiscal year 2017 Operating Plan and/or the fiscal year 2018 Congressional Budget Request?

2. What activities should the Commission consider deemphasizing in the fiscal year 2017 Operating Plan and/or the fiscal year 2018 Congressional Budget Request?

3. Should the Commission consider making any changes or adjustments to the agency’s proposed or ongoing education, safety standards activities, regulation, and enforcement efforts in fiscal years 2017 and/or 2018, keeping in mind the CPSC’s existing policy on establishing priorities for Commission action (16 CFR 1009.8)? The CPSC’s budget request for fiscal year 2017 can be found at: www.cpsc.gov/performance-and-budget. Comments are welcome on whether particular action items should be higher priority than others, should not be included, or should be added to the fiscal year 2017 and/or fiscal year 2018 agendas.

4. Which candidates should the Commission consider for retrospective review of existing rules for fiscal year
