#### Silicomanganese From India: Preliminary Results of Antidumping Duty Administrative Review; 2014–2015

**AGENCY:** Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce.

**SUMMARY:** The Department of Commerce (the Department) is conducting an administrative review of the antidumping duty order on silicomanganese from India pursuant to section 751(a)(1) of the Tariff Act of 1930, as amended (the Act).<sup>1</sup> This review covers one company, Universal Ferro and Allied Chemicals Ltd. (Universal). The period of review (POR) is May 1, 2014, through April 30, 2015. We preliminarily find no evidence of any reviewable entries, shipments, or sales of subject merchandise by Universal during the POR, and are therefore issuing a preliminary no shipments determination.

**DATES:** *Effective Date:* May 10, 2016.

**FOR FURTHER INFORMATION CONTACT:** David Lindgren at (202) 482-3870; AD/CVD Operations, Office VII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230.

#### SUPPLEMENTARY INFORMATION:

##### Scope of the Order

The products subject to the order are all forms, sizes and compositions of silicomanganese, except low-carbon silicomanganese, including silicomanganese briquettes, fines and slag. The silicomanganese subject to the order is currently classifiable under subheading 7202.30.0000 of the Harmonized Tariff Schedule of the United States (HTSUS). The HTSUS subheading is provided for convenience and customs purposes. A full description of the scope of the order is contained in the Preliminary Decision Memorandum, which is hereby adopted by this notice.<sup>2</sup> The written description is dispositive.

<sup>2</sup> For a full description of the scope of the order, see Memorandum from Christian Marsh, Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, to Paul Piquado, Assistant Secretary for Enforcement and Compliance, "Decision Memorandum for the Preliminary Results of the 2014–2015

## Methodology

The Department is conducting this review in accordance with section 751(a)(2) of the Tariff Act of 1930, as amended (the Act). For a full description of the methodology underlying our conclusions, see Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov> and in the Central Records Unit, Room B8024 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly on the Internet at <http://enforcement.trade.gov/frn/index.html>. The signed Preliminary Decision Memorandum is identical in content.

### Preliminary Determination of No Shipments

Based on information Universal submitted after the initiation of this administrative review, and due to the fact that we have not received any information from U.S. Customs and Border Protection (CBP) indicating that Universal had entries during the POR, the Department has preliminarily determined that the record evidence indicates that Universal had no reviewable entries during the POR. In addition, the Department finds that it is not appropriate to rescind the review with respect to Universal but, rather, to complete the review and issue appropriate instructions to CBP based on the final results of review, as is our practice.<sup>3</sup>

### Assessment Rates

For entries of subject merchandise during the POR produced by Universal which it did not know were destined for the United States, we instructed CBP to liquidate unreviewed entries at the all-others rate if there was no rate for the intermediate company or companies involved in the transaction.<sup>4</sup> We intend to issue assessment instructions directly

### Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period.
