SUPPLEMENTARY INFORMATION: President Barack Obama signed Executive Order 13607 on April 27, 2012 to address the problem of aggressive and deceptive targeting of Service members, veterans, and their families by some educational institutions. Section 4 of the Executive Order specifically calls for the creation of a robust, centralized complaint process for students receiving Federal military and veterans' educational benefits.

DoD, along with the participating Federal agencies identified in the Executive Order have determined that this complaint process, in addition to

taking in complaints about abusive or deceptive practices by schools, must create an opportunity for schools to resolve those complaints, and must ensure that complaint data is accessible both to the relevant components at the Departments of Defense, Veterans Affairs, and Education that review schools for compliance and program eligibility, as well as the relevant law enforcement agencies that will prosecute any illegal practices. Beyond creation of this complaint process, the agencies seek to prevent abusive, deceptive, and fraudulent marketing practices through the following mechanisms: establishment of risk-based program reviews; limits on access to military installations by educational institutions; and the use of intellectual property and other legal protections to ensure Web sites and programs are not deceptively suggesting military affiliation or endorsement. The centralized complaint system will provide a resource for students receiving military and veteran educational benefits to effectively submit complaints against institutions they feel have acted deceptively or fraudulently. The first step is to make it easier for prospective and current military students and spouse-students to raise these concerns.

taskings before the DHB. In addition, the DHB will receive information briefings on current issues or lessons learned related to military medicine, health policy, health research, disease/injury prevention, health promotion, and healthcare delivery.

Agenda

Pursuant to 5 U.S.C. 552b and 41 CFR 102–3.155, in the interest of national security, the DoD has determined that the first presentation in the morning of June 2, 2016 will be closed to the public. The topic is a presentation on the mission and functions of the National Center for Medical Intelligence. The Assistant Secretary of Defense (Health Affairs), in consultation with the Office of the DoD General Counsel, has determined in writing that the public interest requires that the first presentation in the morning session on June 2, 2016 be closed to the public because it will concern matters listed in section 552b(c)(1) of title 5, United States Code. The classified materials are so inextricably intertwined with the unclassified material that they cannot be reasonably segregated into separate discussions without disclosing SECRET material. Specifically, the information presented meets criteria established by an Executive Order to be kept secret in the interest of national defense and foreign policy.

Pursuant to 5 U.S.C. 552b and 41 CFR 102–3.140 through 102–3.165 and subject to availability of space, the DHB meeting is open to the public from 10:15 a.m. to 11:45 a.m. on June 2, 2016, and from 12:45 p.m. to 5:00 p.m. The DHB will receive a progress update from the Health Care Delivery Subcommittee on the pediatric clinical preventive services review and an update from the Public Health Subcommittee on their review of improving Defense Health Program medical research processes. In addition, the DHB anticipates receiving information briefings on Defense Advanced Research Projects Agency medical research, the Army Study to Assess Risk and Resilience in Servicemembers (STARRS), the Infectious Disease Clinical Research Program, and Advances in the Use of Whole Blood for Combat Trauma Resuscitation. Any changes to the agenda can be found at the link provided in this **SUPPLEMENTARY INFORMATION** section.

Public’s Accessibility to the Meeting
