SUPPLEMENTARY INFORMATION: This ICR seeks approval under the PRA for revisions to the Labor Organization and Auxiliary Reports information collection. The Labor-Management Reporting and Disclosure Act requires a union to file an annual financial report and a copy of the union's constitution and bylaws with the DOL. A filer is required to retain supporting records for five years; a union is also required to retain election records for one year. This information collection has been classified as a revision, because the OLMS is changing the instructions to the Form LM-3 and LM-4 Labor Organization Annual Reports, in order to mandate electronic filing, as well as amend the hardship exemption process for Form LM-2 filers. If approved, the changes for the Forms LM-2, LM-3, and LM-4 will apply to fiscal years beginning on or after January 1, 2017.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is
