

The Exchange notes that the proposed rule change will not relieve Exchange Market Makers of their continuous quoting obligations under Exchange Rule 604 and under Reg NMS Rule 602.¹⁴ All of a Market Maker's quotes in each option class will be considered firm until such time as the AEP threshold has been equaled or exceeded and the Market Maker's quotes are removed by the Aggregate Risk Manager in all series of that option class.¹⁵

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

On the contrary, the Exchange believes that the proposed rule change will foster competition by providing Exchange Market Makers with the ability to enhance and specifically customize their use of the Exchange's risk management tools in order to compete for executions and order flow.

As to inter-market competition, the Exchange believes that the proposed rule change should promote competition because it is designed to allow Exchange Market Makers with flexibility to modify their risk exposure in order to protect them from unusual market conditions or events that may increase their exposure in the market.

For all the reasons stated, the Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act, and believes the proposed change will in fact enhance competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate, it has

become effective pursuant to 19(b)(3)(A) of the Act¹⁶ and Rule 19b-4(f)(6)¹⁷ thereunder.
