Schedule 13E–4F. SEC File No. 270–340, OMB Control No. 3235–0375.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (''Commission'') is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Schedule 13E–4F (17 CFR 240.13e–102) may be used by an issuer that is incorporated or organized under the laws of Canada to make a cash tender or exchange offer for the issuer's own securities if less than 40 percent of the class of such issuer's securities outstanding that are the subject of the tender offer is held by U.S. holders. The information collected must be filed with the Commission and is publicly available. Written comments are invited on: (a) Whether this proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden imposed by the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

SOCIAL SECURITY ADMINISTRATION

[Docket No: SSA–2016–0020]

Agency Information Collection Activities: Proposed Request and Comment Request

The Social Security Administration (SSA) publishes a list of information collection packages requiring clearance by the Office of Management and Budget (OMB) in compliance with Public Law 104–13, the Paperwork Reduction Act of 1995, effective October 1, 1995. This notice includes revisions and one extension of OMB-approved information collections.

SSA is soliciting comments on the accuracy of the agency's burden estimate; the need for the information; its practical utility; ways to enhance its quality, utility, and clarity; and ways to minimize burden on respondents, including the use of automated collection techniques or other forms of information technology. Mail, email, or fax your comments and recommendations on the information collection(s) to the OMB Desk Officer and SSA Reports Clearance Officer at the following addresses or fax numbers.

(OMB) Office of Management and Budget, Attn: Desk Officer for SSA, Fax: 202–395–6974, Email address: *OIRA_Submission@omb.eop.gov*

(SSA) Social Security Administration, OLCA, Attn: Reports Clearance Director, 3100 West High Rise, 6401 Security Blvd., Baltimore, MD 21235, Fax: 410–966–2830, Email address: *OR.Reports.Clearance@ssa.gov*

Or you may submit your comments online through *www.regulations.gov,* referencing Docket ID Number [SSA–2016–0020].

I. The information collections below are pending at SSA. SSA will submit them to OMB within 60 days from the date of this notice. To be sure we consider your comments, we must receive them no later than July 19, 2016. Individuals can obtain copies of the collection instruments by writing to the above email address.

1. *Application for Supplemental Security Income—20 CFR 416.207 and 416.305–416.335, Subpart C—0960–0229.* The Supplemental Security Income (SSI) program provides aged, blind, and disabled individuals who have little or no income, with funds for food, clothing, and shelter. Individuals complete Form SSA–8000–BK to apply for SSI. SSA uses the information from Form SSA–8000–BK and its electronic Intranet counterpart, the Modernized SSI Claims Systems (MSSICS), to determine: (1) Whether SSI claimants

[9] 17 CFR 200.30–3(a)(12).

meet all statutory and regulatory eligibility requirements; and (2) SSI payment amounts. The respondents are applicants for SSI or their representative payees.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
SSA–8000–BK (Paper Version)	17,541	1	41	11,986
MSSICS/Signature Proxy	1,373,401	1	35	801,151
Totals	1,390,942			813,137

2. *Application for Supplemental Security Income—20 CFR 416.305–416.335, Subpart C—0960–0444.* SSA uses Form SSA–8001–BK to determine an applicant's eligibility for SSI and SSI payment amounts. SSA employees also collect this information during interviews with members of the public who wish to file for SSI. SSA uses the information for two purposes: (1) To deny SSI formally, for non-medical reasons when information the applicant provides results in ineligibility; or (2) to establish a disability claim, but defer the complete development of non-medical issues until SSA approves the disability. The respondents are applicants for SSI.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
MSSICS/Signature Proxy	937,207	1	20	312,402
SSA–8001–BK (Paper Version)	1,033	1	20	344
Totals	938,240			312,746

3. *Function Report—Child (Birth to 1st Birthday, Age 1 to 3rd Birthday, Age 3 to 6th Birthday, Age 6 to 12th Birthday, Age 12 to 18th Birthday)—20 CFR 416.912 and 416.924a(a)(2)—0960–0542.* As part of SSA's disability determination process, we use Forms SSA–3375–BK through SSA–3379–BK to request information from a child's parent or guardian for children applying for SSI. The five different versions of the form contain questions about the child's day-to-day functioning appropriate to a particular age group; thus, respondents use only one version of the form for each child. The adjudicative team (disability examiners and medical or psychological consultants) of State disability determination services offices collect the information on the appropriate version of this form (in conjunction with medical and other evidence) to form a complete picture of the children's ability to function and their impairment-related limitations. The adjudicative team uses the completed profile to determine: (1) If each child's impairment(s) results in marked and severe functional limitations; and (2) whether each child is disabled. The respondents are parents and guardians of child applicants for SSI.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
SSA–3375; SSA–3376; SSA–3377; SSA–3378; SSA–3379 *	532,000	1	20	177,333

* Respondents complete only one form per child.

4. *Government-to-Government Services Online Web site Registration; Government-to-Government Services Online Web site Account Modification/Deletion Form—20 CFR 401.45—0960–0757.* The Government-to-Government Services Online (GSO) Web site allows various external organizations to submit files to a variety of SSA systems and, in some cases, receive files in return. The SSA systems that process data transferred via GSO include, but are not limited to, systems responsible for disability processing and benefit determination or termination. SSA uses the information on Form SSA–159, Government-to-Government Online Web site Registration Form, to register the requestor to use the GSO Web site. Once we receive the SSA–159, SSA provides the user with account information and conducts a walkthrough of the GSO Web site as necessary. Established organizations may submit Form SSA–159 to register additional users as well. The established requesting organizations can also complete Form SSA–160, Government-to-Government Online Web site Account Modification/Deletion Form, to modify their online accounts (*e.g.,* address change). Respondents are State and local government agencies, and some private sector business entities.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
SSA–159	1,543	1	15	386
SSA–160	130	1	15	33
Totals	1,673			419

II. SSA submitted the information collections below to OMB for clearance. Your comments regarding the information collections would be most useful if OMB and SSA receive them 30 days from the date of this publication. To be sure we consider your comments, we must receive them no later than June 20, 2016. Individuals can obtain copies of the OMB clearance packages by writing to *OR.Reports.Clearance@ssa.gov.*

1. *Agency/Employer Government Pension Offset Questionnaire—20 CFR 404.408(a)—0960–0470.* When an individual is concurrently receiving Social Security spousal, or surviving spousal, benefits and a government pension, the individual may have the amount of Social Security benefits reduced by the government pension amount. This is the Government Pension Offset (GPO). SSA uses Form SSA–L4163 to collect accurate pension information from the Federal or State government agency paying the pension for purposes of applying the pension offset provision. SSA uses this form only when (1) the claimant does not have the information; and (2) the pension-paying agency has not cooperated with the claimant. Respondents are State government agencies which have information SSA needs to determine if the GPO applies and the amount of offset.

Type of Request: Extension of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
SSA–L4163	1000	1	3	50

2. *Real Property Current Market Value Estimate—0960–0471.* SSA considers an individual's resources when evaluating eligibility for SSI payments. The value of an individual's resources, including non-home real property, is one of the eligibility requirements for SSI payments. SSA obtains current market value estimates of the claimant's real property through Form SSA–L2794. We allow respondents to use readily available records to complete the form, or we can accept their best estimates. We use this form as part of initial applications and in post-entitlement situations. The respondents are small business operators in real estate; state and local government employees tasked with assessing real property values; and other individuals knowledgeable about local real estate values.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
SSA–L2794	250	1	20	83
