SUPPLEMENTARY INFORMATION: The OCC is proposing to extend OMB approval of the following information collection:

Title: Consumer Protections for Depository Institution Sales of Insurance.

OMB Control No.: 1557-0220.

Type of Review: Extension, without revision, of a currently approved collection.

Description: This information collection is required under section 305 of the Gramm-Leach-Bliley Act (GLB Act), Public Law 106-102. Section 305 of the GLB Act requires the OCC, the Board of Governors of the Federal Reserve System, and the Federal Deposit Insurance Corporation (collectively, the Agencies) to prescribe joint consumer protection regulations that apply to retail sales practices, solicitations, advertising, and offers of any insurance product by a depository institution or by other persons performing these activities at an office of the institution or on behalf of the institution (other covered persons). Section 305 also requires those performing such activities to disclose certain information to consumers (e.g., that insurance products and annuities are not FDIC-insured).

This information collection requires national banks, Federal savings associations, and other covered persons, as defined in 12 CFR 14.20(f) and 136.20, involved in insurance sales to make two separate disclosures to consumers. Under §§ 14.40 and 136.40, a national bank, Federal savings association, or other covered person must prepare and provide orally and in writing: (1) Certain insurance disclosures to consumers before the completion of the initial sale of an insurance product or annuity to a consumer and (2) certain credit

disclosures at the time of application for the extension of credit (if insurance products or annuities are sold, solicited, advertised, or offered in connection with an extension of credit).

Consumers use the disclosures to understand the risks associated with insurance products and annuities and to understand that they are not required to purchase, and may refrain from purchasing, certain insurance products or annuities in order to qualify for an extension of credit.

Affected Public: Businesses or other for-profit.

Frequency: On occasion.

Estimated Burden:

Estimated Number of Respondents: 663.

Total Estimated Burden Hours: 3,315 hours.

Comments: On February 2, 2016, the OCC published a notice concerning the collection for 60 days of comment. No comments were received. Comments continue to be invited on:

(a) Whether the collection of information is necessary for the proper performance of the functions of the OCC, including whether the information has practical utility;

(b) The accuracy of the OCC's estimate of the information collection burden;

(c) Ways to enhance the quality, utility, and clarity of the information to be collected;

(d) Ways to minimize the burden of the collection on respondents, including through the use of automated collection techniques or other forms of information technology; and

(e) Estimates of capital or start-up costs and costs of operation, maintenance, and purchase of the services necessary to provide the required information.

SUPPLEMENTARY INFORMATION:

Funding Opportunity Description

This NOFA announces the availability of FY 2016 funds to provide 1-year funding assistance in FY 2017 under VA's Homeless Providers GPD Program for the 21 FY 2015 operational GPD Special need recipients and their

collaborative VA Special Need partners (as applicable). Eligible applicants may obtain grant assistance to cover operational costs that would not otherwise be incurred but for the fact that the recipient is providing supportive housing beds and services for the following special needs homeless Veteran populations:

- (1) Women;
- (2) Frail elderly;
- (3) Chronically mentally ill; or
- (4) Individuals who have care of minor dependents.

Definitions of key terms relating to these populations are contained in 38 CFR 61.1 Definitions. Eligible applicants should review these definitions to ensure their proposed populations meet the specific requirements. Note: There are currently no existing grant projects for the terminally ill special needs population; therefore, grant projects that would support that population are not eligible for funding under this NOFA, and that population is not addressed in this NOFA.

VA is pleased to issue this NOFA for the Homeless Providers GPD Program as a part of the effort to end homelessness among our Nation's Veterans. Funding applied for under this NOFA may be used for the provision of service and operational costs to facilitate the following for each targeted group:

Women:

(1) Ensure transportation for women, especially for health care and educational needs; and

(2) Address safety and security issues including segregation from other program participants, if deemed appropriate.

Frail Elderly:

(1) Ensure the safety of the residents in the facility to include preventing harm and exploitation;

(2) Ensure opportunities to keep residents mentally and physically agile to the fullest extent through the incorporation of structured activities, physical activity, and plans for social engagement within the program and in the community;
