**SUPPLEMENTARY INFORMATION:**

**Background**

On January 20, 2010, the Department published its *Final Results*.<sup>3</sup> On March 17, 2010, Foshan Shunde, an exporter of the subject merchandise, and Polder, Inc., an importer of the subject merchandise, timely filed a complaint with the CIT to challenge certain aspects of the *Final Results*. The litigation history of this procedure is outlined below.

On October 12, 2011, the Court remanded the matter.<sup>4</sup> On June 12, 2012, the Department issued its First Redetermination, in which it determined that Foshan Shunde was: (1) Entitled to a separate rate and (2) assigned an adverse facts available

(AFA) rate of 157.68 percent to Foshan Shunde.<sup>5</sup>

Upon consideration of the First Redetermination, on April 8, 2013, the Court affirmed our assignment of a separate rate to Foshan Shunde.<sup>6</sup> The Court, however, remanded the case to the Department to reconsider its corroboration of the 157.68 percent rate assigned to Foshan Shunde. On July 8, 2013, the Department issued its Second Redetermination, in which it explained that available Customs data corroborated to the extent practicable the 157.68 percent rate assigned to Foshan Shunde.<sup>7</sup>

On June 20, 2014, the Court rejected the corroboration analysis conducted by the Department in its Second Redetermination. The Court remanded the Department's corroboration of Foshan Shunde's AFA rate for further consideration.<sup>8</sup>

On October 10, 2014, the Department filed its Third Redetermination, in which it, under protest, assigned a revised AFA rate of 72.29 percent to Foshan Shunde.<sup>9</sup> This 72.29 percent rate was the rate assigned to Separate Rate companies in the less-than-fair value investigation.<sup>10</sup> On April 7, 2016, the Court sustained the Department's *Third Redetermination*, and entered final judgment.<sup>11</sup>

**Timken Notice**

In its decision in *Timken*, 893 F.2d at 341, as clarified by *Diamond Sawblades*, the Federal Circuit has held that, pursuant to section 516A(e) of the Tariff Act of 1930, as amended (the Act), the Department must publish a notice of a court decision not "in harmony" with a Department determination, and must suspend liquidation of entries pending a "conclusive" court decision. The Court's April 7, 2016, judgment sustaining the Third Redetermination constitutes a final decision of the Court that is not in harmony with the Department's *Final Results*. This notice is published in fulfillment of the publication requirement of *Timken*. Accordingly, the Department will continue the suspension of liquidation of the subject merchandise pending the expiration of the period of appeal or, if appealed, pending a final and conclusive court decision.

**Amended Final Results**

Because there is now a final court decision, the Department amends the *Final Results* with respect to the dumping margin of Foshan Shunde. The revised weighted-average dumping margin for Foshan Shunde during the period August 1, 2007, through July 31, 2008, is as follows:

Exporter	Weighted average dumping margin (percent)
Foshan Shunde Yongjian Housewares & Hardwares Co., Ltd .....	72.29

For Foshan Shunde, the cash deposit rate will remain the rate established in the 2010-2011 *Final Results*, a subsequent review, which is 157.68 percent.<sup>12</sup>

In the event the Court's ruling is not appealed, or if appealed and upheld by the Federal Circuit, the Department will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on entries of the subject merchandise exported by Since Hardware and Foshan Shunde using the revised assessment rate calculated by the Department in the *Third Redetermination*.

This notice is issued and published in accordance with sections 516(A)(e), 751(a)(1), and 777(i)(1) of the Act.

#### **Multilayered Wood Flooring From the People's Republic of China: Final Results and Partial Rescission of Countervailing Duty Administrative Review; 2013**

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The Department of Commerce (the Department) completed its administrative review of the countervailing duty (CVD) order on multilayered wood flooring (wood flooring) from the People's Republic of China (PRC). The period of review (POR) is January 1, 2013, through December 31, 2013. We find that the mandatory respondents, Dalian Penghong Floor Products Co., Ltd. (Penghong) and The Lizhong Wood Industry Limited Company of Shanghai (Lizhong) (also known as "Shanghai Lizhong Wood Products Co., Ltd."), received countervailable subsidies during the POR. The final net subsidy rates are listed below in "Final Results of Administrative Review." We are also rescinding the review for five companies that timely certified that they made no shipments of subject merchandise during the POR.

**DATES:** Effective May 23, 2016.
