Multilayered Wood Flooring From the People's Republic of China: Final Results and Partial Rescission of Countervailing Duty Administrative Review; 2013

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) completed its administrative review of the countervailing duty (CVD) order on multilayered wood flooring (wood flooring) from the People's Republic of China (PRC). The period of review (POR) is January 1, 2013, through December 31, 2013. We find that the mandatory respondents, Dalian Penghong Floor Products Co., Ltd. (Penghong) and The Lizhong Wood Industry Limited Company of Shanghai (Lizhong) (also known as "Shanghai Lizhong Wood Products Co., Ltd."), received countervailable subsidies during the POR. The final net subsidy rates are listed below in "Final Results of Administrative Review." We are also rescinding the review for five companies that timely certified that they made no shipments of subject merchandise during the POR.

DATES: Effective May 23, 2016.

FOR FURTHER INFORMATION CONTACT:

Mary Kolberg, AD/CVD Operations, Office I, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-1785.

Background

On January 11, 2016, the Department published the *Preliminary Results* of this administrative review.¹ In the *Preliminary Results*, we stated our intent to rescind the review for the seven companies that certified that they made no shipments of subject

merchandise during the POR, provided we did not receive information from Customs and Border Protection (CBP) which contradicted these companies' claims of no sales, shipments, or entries of subject merchandise to the United States during the POR. On February 22, 2016, CBP notified the Department that Linyi Bonn Flooring Manufacturing Co., Ltd. (Linyi Bonn), and Changbai Mountain Development and Protection Zone Hongtu Wood Industrial Co., Ltd. (Changbai Mountain) made shipments to the United States. On February 26, 2016, and March 11, 2016, respectively, these two companies, withdrew their certifications of no shipments.²

We issued an additional supplemental questionnaire to Lizhong on January 12, 2016, and received a response on January 22, 2016.³ On February 17, 2016, we received case briefs from Fine Furniture (Shanghai) Limited (Fine Furniture) and Penghong.⁴ No party filed a rebuttal brief.

Scope of the Order

Multilayered wood flooring is composed of an assembly of two or more layers or plies of wood veneer(s)⁵ in combination with a core. A full description of the scope of the order is contained in the memorandum from Christian Marsh, Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, to Paul Piquado, Assistant Secretary for Enforcement and Compliance, "Decision Memorandum for Final Results of Countervailing Duty Administrative Review: Multilayered Wood Flooring from the People's Republic of China" dated concurrently with this notice (Decision Memorandum), which is hereby adopted by this notice.

Partial Rescission of Administrative Review

We received timely filed no-shipment certifications from Zhejiang Shuimojiangnan New Material Technology Co., Ltd., Tongxiang Jisheng Import and Export Co., Ltd., Jiangsu Guyu International Trading Co., Ltd., Jiangsu Mingle Flooring Co., Ltd., Shenyang Senwang Wooden Industry Co., Ltd., Changbai Mountain, and Linyi Bonn.⁶ We received from CBP evidence that Changbai Mountain and Linyi Bonn made shipments to the United States during the POR. Both companies subsequently withdrew their certifications of no shipments, and remain subject to this administrative review. The Department is rescinding the administrative review of Zhejiang Shuimojiangnan New Material

Technology Co., Ltd., Tongxiang Jisheng Import and Export Co., Ltd., Jiangsu Guyu International Trading Co., Ltd., Jiangsu Mingle Flooring Co., Ltd., and Shenyang Senwang Wooden Industry Co., Ltd.

Methodology

We conducted this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found to be countervailable, we find that there is a subsidy, *i.e.*, a government-provided financial contribution that gives rise to a benefit to the recipient, and that the subsidy is specific.⁷ For a full description of the methodology underlying our conclusions, see Decision Memorandum.

Final Results of Administrative Review

In accordance with 19 CFR 351.221(b)(4)(i), we calculated a

countervailable subsidy rate for each of the mandatory respondents, Penghong and Lizhong.

For the non-selected respondents, we followed the Department's practice, which is to base the subsidy rates on an average of the subsidy rates calculated for those companies selected for individual review, excluding *de minimis* rates or rates based entirely on adverse facts available.⁸ In this case, we assigned to the non-selected respondents the simple average of the rates calculated for Penghong and Lizhong. We are using a simple, rather than a weighted, average due to inconsistent units of measure in the publicly ranged quantity and value data provided by Penghong and Lizhong.

We find the countervailable subsidy rates for the producers/exporters under review to be as follows:⁹

Assessment Rates

Consistent with 19 CFR 351.212(b)(2), we intend to issue assessment instructions to U.S. Customs and Border Protection (CBP) fifteen days after publication of the final results of this review. We will instruct CBP to assess countervailing duties on all appropriate entries covered by this review in the amounts shown above.

Cash Deposit Requirements

In accordance with section 751(a)(1) of the Act, the Department intends to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts shown above on shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review. For all non-reviewed firms, we will instruct CBP to continue to collect cash deposits at the most recent company specific or all-others rate applicable to the company. Accordingly, the cash deposit rates that will be applied to companies covered by the *Amended Order*, but not examined in this review, are those established in the most recently completed segment of the proceeding for each company. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Administrative Protective Order

This notice serves as a final reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

We have omitted Anhui Suzhou Dongda Wood Co., Ltd. and Yixing Lion-King Timber Industry from the notice because we have now included the correct spelling of these companies. Dongtai Fuan Universal Dynamics LLC and Zhejiang Longsen Lumbering Co., Ltd. were listed twice in the Initiation Notice.

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.213.
