**Determinations Terminating Investigations of Petitions for Worker Adjustment Assistance**

After notice of the petitions was published in the **Federal Register** and

on the Department's Web site, as required by Section 221 of the Act (19 U.S.C. 2271), the Department initiated investigations of these petitions.

The following determinations terminating investigations were issued because the petitioner has requested that the petition be withdrawn.

TA-W No.	Subject firm	Location	Impact date
90,111 .....	Coastal Closeouts, Inc., West Coast Rags .....	Vernon, CA.	
90,114 .....	FutureMark Manistique .....	Manistique, MI.

91,182 .....	Maverick Innovative Solutions, LLC .....	Ashland, OH.	
91,560 .....	General Cable, General Cable Corporation, Staffmark .....	Malvern, AR.	

The following determinations terminating investigations were issued in cases where these petitions were not filed in accordance with the requirements of 29 CFR 90.11. Every petition filed by workers must be signed

by at least three individuals of the petitioning worker group. Petitioners separated more than one year prior to the date of the petition cannot be covered under a certification of a petition under Section 223(b), and

therefore, may not be part of a petitioning worker group. For one or more of these reasons, these petitions were deemed invalid.

91,469 .....	Hermitage Wood Products, Inc .....	Pompano Beach, FL.	
91,488 .....	Montgomery Development Center, Department of Developmental Disabilities, State of Ohio.	Huber Heights, OH.	

The following determinations terminating investigations were issued because the petitioning groups of

workers are covered by active certifications. Consequently, further investigation in these cases would serve

no purpose since the petitioning group of workers cannot be covered by more than one certification at a time.

TA-W No.	Subject firm	Location	Impact date
91,547 .....	General Electric Company, Transportation Division .....	Erie, PA.	

The following determinations terminating investigations were issued

because the petitions are the subject of ongoing investigations under petitions

filed earlier covering the same petitioners.
