POLICIES AND PRACTICES FOR STORING, RETRIEVING, ACCESSING, RETAINING AND DISPOSING OF RECORDS IN THE SYSTEM:

STORAGE:

Paper records are contained in file cabinets and/or in secured rooms under the control of authorized DOI personnel. Electronic records are contained in computers, compact discs, magnetic tapes, external removable drives, email, diskettes, digital video disks, and electronic databases.

RETRIEVABILITY:

Information can be retrieved by specific data elements in the system including: The EFTS tracking number; the name of the requester and/or his/her organizational affiliation; subject; etc. Paper records are normally retrieved by EFTS tracking number or by the name of the person making the request.

SAFEGUARDS:

Access to records in the system is limited to authorized personnel whose official duties require such access. Paper records are maintained in file cabinets and/or in secured rooms under the control of authorized DOI personnel. Computer servers in which electronic records are stored are located in secured DOI facilities with physical, technical and administrative levels of security to prevent unauthorized access to the DOI network and information assets. Electronic records are maintained in accordance with the OMB and Departmental guidelines reflecting the implementation of the Federal Information Security Modernization Act of 2014 (Pub. L. 113–283, 44 U.S.C. 3554). Electronic data is protected through user identification, passwords, database permissions and software controls. Such security measures establish different access levels for different types of users. System administrators and authorized users are trained and required to follow established internal security protocols and must complete all security, privacy, and records management training and sign the DOI Rules of Behavior.

RETENTION AND DISPOSAL:

Records are maintained under Departmental Records Schedule (DRS) 1—Administrative Records (DAA–0048–2013–0001) that cover FOIA and Privacy Act request files, correspondence, reports, and other program administration and financial management records, which has been approved by NARA. The disposition for these records is temporary and retention

periods vary according to the specific record and the needs of the agency. FOIA request files and other short-term administration records are destroyed three years after cut-off, which is generally after the date of reply or the end of the fiscal year in which files are created. Long-term records that require additional retention, such as denials, are destroyed seven years after cut-off, which is generally when the record is closed. Paper records are disposed of by shredding or pulping, and records maintained on electronic media are degaussed or erased in accordance with 384 Departmental Manual 1 and NARA guidelines.

SYSTEM MANAGER AND ADDRESS:

(1) The Departmental FOIA Officer, Office of the Executive Secretariat, U.S. Department of the Interior, 1849 C Street NW., MS–7328 MIB, Washington, DC 20240, has overall responsibility for the policies and procedures used to operate the system.
