[Docket No. FR-5907-N-22]

Federal Property Suitable as Facilities To Assist the Homeless

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for use to assist the homeless.

FOR FURTHER INFORMATION CONTACT:

Juanita Perry, Department of Housing and Urban Development, 451 Seventh Street SW., Room 7266, Washington, DC 20410; telephone (202) 402-3970; TTY number for the hearing- and speech-

impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 800-927-7588.

SUPPLEMENTARY INFORMATION: In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, and suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where property is described as for "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to: Ms. Theresa M. Ritta, Chief Real Property Branch, the Department of Health and Human Services, Room 5B-17, Parklawn Building, 5600 Fishers Lane, Rockville, MD 20857, (301) 443-2265 (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is

encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to Ann Marie Oliva at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

BILLING CODE 4210-67-P

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-5921-N-06]

The Privacy Act of 1974, as Amended; System of Records Notice Amendment, Freedom of Information Act, Privacy Act, and Administrative Appeals Request Files, System of Records

AGENCY: Office of Administration, HUD.

ACTION: System of records notice amendment.

SUMMARY: In accordance with the requirements of the Privacy Act of 1974, as amended, 5 U.S.C. 552a, the Department's Office of the Executive Secretariat proposes to update and reissue a current system of records notice (SORN): Freedom of Information Act (FOIA), Privacy Act, and Administrative Appeals Request Files, ADMIN/AHFDC.01. This SORN was previously titled "Privacy Act and Appeals Request Files," CIO/QMPP.01, and published at 79 FR 44854-55 (August 1, 2014). This amendment consolidates under one notice FOIA, Privacy Act, and administrative appeals procedures for requests and disclosures and updates the SORN, categories of individuals covered, categories of records, authority for maintenance, routine uses, storage, safeguards, retention and disposal, system manager and address, notification procedures, records access, contesting records procedures, and records source categories to indicate that the SORN now includes FOIA-related records. This notice deletes and supersedes SORN CIO/QMPP.01, Privacy Act and Appeals Request Files. This updated publication will be included in the Department's inventory of SORNs. Detailed information pertaining to this amendment appears under the SORN's "Supplementary Information" caption.

DATES:

Effective Date: This notice action shall be effective immediately, with the exception of the new routine uses added to the notice, which will become effective June 27, 2016.

Comments Due Date: June 27, 2016.

ADDRESSES: Interested persons are invited to submit comments regarding this notice to the Rules Docket Clerk, Office of General Counsel, Department of Housing and Urban Development, 451 Seventh Street SW., Room 10276, Washington, DC 20410-0500. Communications should refer to the above docket number and title. Faxed comments are not accepted. A copy of each communication submitted will be

available for public inspection and copying between 8 a.m. and 5 p.m. weekdays at the above address.

FOR FURTHER INFORMATION CONTACT:

Frieda B. Edwards, Acting Chief Privacy Officer, 451 Seventh Street SW., Room 10139, Washington, DC 20410, telephone number 202-402-6828 (this is not a toll-free number). Individuals who are hearing- and speech-impaired may access this number via TTY by calling the Federal Relay Service at 800-877-8339 (this is a toll-free number).

SUPPLEMENTARY INFORMATION: This SORN is being updated to encompass activities and procedures related to the Department's processing of FOIA, Privacy Act, and administrative appeals requests. The Department's Office of the Executive Secretariat consolidates under one notice processing activities related to FOIA, Privacy Act, and administrative appeals requests received or issued by the Department. The revised notice conveys subsequent updates to the system's title, categories of individuals covered, categories of records, authority for maintenance, routine uses, storage, safeguards, retention and disposal, system manager and address, notification procedures, records access and contesting procedures, and records source captions to identify that the updated notice now includes information related to FOIA requests. In addition, this notice identifies new disclosure requirements related to FOIA, by adding routine use (6) to clarify that records may be provided from this SORN to the National Archives and Records Administration (NARA), Office of Government Information Services (OGIS) for purposes set forth under 5 U.S.C. 552(h)(2)(A-B) and (3). Publication of this notice allows the Department to provide up-to-date information about its systems of records in a clear and cohesive format. The revised system of records incorporates Federal Privacy Act, FOIA, and HUD policy requirements. The Privacy Act places on Federal agencies principal responsibility for compliance with its provisions, by requiring Federal agencies to safeguard an individual's records against an invasion of personal privacy; protect the records contained in an agency system of records from unauthorized disclosure; ensure that the records collected are relevant, necessary, current, and collected only for their intended use; and adequately safeguard the records to prevent misuse of such information. In addition, this notice demonstrates the Department's focus on industry best practices and laws that protect interest such as
