## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-77983; File No. SR-MIAX-2016-15]

### Self-Regulatory Organizations: Miami International Securities Exchange LLC; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend Exchange Rule 1015, Disciplinary Functions

June 2, 2016.

Pursuant to the provisions of Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on May 27, 2016, Miami International Securities Exchange LLC ("MIAX" or "Exchange") filed with the Securities and Exchange Commission ("Commission") a proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization's Statement of the Terms of the Substance of the Proposed Rule Change

The Exchange is filing a proposal to amend Exchange Rule 1015, Disciplinary Functions, Interpretations and Policies .01, to state that the Exchange has entered into a contract with the Financial Industry Regulatory Authority ("FINRA") and to remove obsolete references to the Chicago Board Options Exchange, Inc. ("CBOE") from the Rule.

The text of the proposed rule change is available on the Exchange's Web site at [http://www.miaxoptions.com/filter/wotitle/rule\\_filing](http://www.miaxoptions.com/filter/wotitle/rule_filing), at MIAX's principal office, and at the Commission's Public Reference Room.

#### II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

#### A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

##### 1. Purpose

The Exchange proposes to amend Exchange Rule 1015, Disciplinary Functions, to remove two references to CBOE from current Interpretations and Policies .01 to the Rule. The current rule states that the Exchange intends to enter into a contract with FINRA and/or CBOE to provide professional hearing officers and to act as an agent of the Exchange with respect to the disciplinary procedures of the Exchange.

The Exchange has entered into a contract with FINRA to provide professional hearing officers and to act as an agent of the Exchange with respect to the disciplinary procedures of the Exchange. Certain regulatory services previously offered by CBOE are now being provided by FINRA. Therefore the reference to CBOE is obsolete as it is no longer feasible to contemplate entering into an agreement with CBOE as articulated in the current rule.

Additionally, the current Rule includes a second reference to CBOE which is also now obsolete, that states that a professional hearing officer, in the course of discharging his responsibilities, shall apply the standards contained in the FINRA Industry Code of Procedure and/or CBOE Rules Chapter XVII, and policies, practices and interpretations thereof. The Exchange proposes to delete this reference as well.

##### 2. Statutory Basis

MIAX believes that its proposed rule change is consistent with Section 6(b) of the Act<sup>3</sup> in general, and furthers the objectives of Section 6(b)(5) of the Act<sup>4</sup> in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to and perfect the mechanisms of a free and open market and a national market system and, in general, to protect investors and the public interest.

The proposed rule change is designed to protect investors and the public interest and to promote just and equitable principles of trade by eliminating obsolete references to CBOE from its rules relating to its regulatory

function. It is intended to foster cooperation and coordination with persons engaged in facilitating transactions in securities by accurately informing Members and the investing public of the Exchange's arrangements that satisfy its regulatory obligations under the Act. It is in the public interest for rules to be accurate and concise so as to eliminate the potential for confusion.

#### *B. Self-Regulatory Organization's Statement on Burden on Competition*

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change is not designed to address any competitive issues but rather is designed to clarify the current rule and eliminate the potential for confusion.

#### *C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others*

Written comments were neither solicited nor received.

### **III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate, it has become effective pursuant to 19(b)(3)(A) of the Act<sup>5</sup> and Rule 19b-4(f)(6)<sup>6</sup> thereunder.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

<sup>5</sup> 15 U.S.C. 78s(b)(3)(A).

<sup>6</sup> 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.
