Catalog of Federal Domestic Assistance (CFDA) Number: 84.021A and 84.021B.

SUMMARY: The Assistant Secretary for Postsecondary Education announces priorities and definitions for the Fulbright-Hays Group Projects Abroad (GPA) Program. The Assistant Secretary may use these priorities and definitions for competitions in fiscal year (FY) 2016 and later years. We intend the priorities and definitions to address a gap in the types of institutions, faculty, and students that have historically benefitted from international education opportunities.

DATES: These priorities and definitions are effective July 18, 2016.

FOR FURTHER INFORMATION CONTACT:

Reha Mallory, U.S. Department of Education, 400 Maryland Avenue SW., Room 3E213, Washington, DC 20202. Telephone: (202) 453-7502 or by email: Reha.Mallory@ed.gov.

If you use a telecommunications device for the deaf (TDD) or a text telephone (TTY), call the Federal Relay Service (FRS), toll free, at 1-800-877-8339.

SUPPLEMENTARY INFORMATION:

Purpose of Program: The Fulbright-Hays GPA Program supports short-term and long-term overseas projects in training, research, and curriculum development in modern foreign languages and area studies for groups of teachers, undergraduate and graduate students, and faculty engaged in a common endeavor. Fulbright-Hays GPA short-term projects (GPA short-term

projects) may include seminars, curriculum development, or group research or study. Fulbright-Hays GPA long-term projects (GPA long-term projects) support advanced overseas intensive programs that focus on the humanities, social sciences, or languages.

Program Authority: 22 U.S.C. 2452(b)(6).

Applicable Program Regulations: 34 CFR part 662 and 664.

We published a notice of proposed priorities and definitions for this program in the **Federal Register** on March 10, 2016 (81 FR 12622). That notice contained background information and our reasons for proposing the particular priorities.

There are no differences between the proposed priorities and definitions and these final priorities and definitions.

Public Comment: In response to our invitation in the notice of proposed priorities and definitions, we did not receive any comments on the proposed priorities and definitions.

Final Priorities

Priority 1—Applications for GPA Short-Term Projects From Selected Institutions and Organizations

Applications for GPA short-term projects from the following types of institutions and organizations:

- Minority-Serving Institutions (MSIs)
- Community colleges
- New applicants
- State educational agencies (SEAs)

Priority 2—Applications for GPA Long-Term Projects From Minority-Serving Institutions (MSIs)

Applications for GPA long-term advanced overseas intensive language training projects from MSIs.

Types of Priorities

When inviting applications for a competition using one or more priorities, we designate the type of each priority as absolute, competitive preference, or invitational through a notice in the **Federal Register**. The effect of each type of priority follows:

Absolute priority: Under an absolute priority, we consider only applications that meet the priority (34 CFR 75.105(c)(3)).

Competitive preference priority: Under a competitive preference priority, we give competitive preference to an application by (1) awarding additional points, depending on the extent to which the application meets the priority (34 CFR 75.105(c)(2)(i)); or (2) selecting an application that meets the priority over an application of comparable merit

that does not meet the priority (34 CFR 75.105(c)(2)(ii)).

Invitational priority: Under an invitational priority, we are particularly interested in applications that meet the priority. However, we do not give an application that meets the priority a preference over other applications (34 CFR 75.105(c)(1)).

Final Definitions

The Assistant Secretary for Postsecondary Education establishes the following definitions for this program. We may apply one or more of these definitions in any year in which this program is in effect.

Minority-serving institution (MSI) means an institution that is eligible to receive assistance under sections 316 through 320 of part A of title III, under part B of title III, or under title V of the Higher Education Act of 1965, as amended (HEA).

Community college means an institution that meets the definition in section 312(f) of the Higher Education Act of 1965, as amended, (HEA) (20 U.S.C. 1058(f)); or an institution of higher education (as defined in section 101 of the HEA (20 U.S.C. 1001)) that awards degrees and certificates, more than 50 percent of which are not bachelor's degrees (or an equivalent).

New applicant means any applicant that has not received a discretionary grant from the Department of Education under the Fulbright-Hays Act prior to the deadline date for applications under this program.

State educational agency (SEA) means the State board of education or other agency or officer primarily responsible for the supervision of public elementary and secondary schools in a State. In the absence of this officer or agency, it is an officer or agency designated by the Governor or State law.

This notice does not preclude us from proposing additional priorities, requirements, definitions, or selection criteria, subject to meeting applicable rulemaking requirements.

Note: This notice does *not* solicit applications. In any year in which we choose to use one or more of these priorities and definitions, we invite applications through a notice in the **Federal Register**.
