Announcement of the Award of a Single-Source Expansion Supplement Grant to the National Runaway Switchboard

AGENCY: Family and Youth Services Bureau (FYSB), ACYF, ACF, DHHS.

ACTION: Notice of the award of a single-source expansion supplement grant to the National Runaway Switchboard to support the translation of “Let’s Talk Curriculum” into Spanish and disseminate it to culturally appropriate prevention resources to expand outreach to Latino youth and their families.

SUMMARY: The Administration for Children and Families (ACF), Administration on Children, Youth and Families (ACYF), Family and Youth Services Bureau (FYSB), Division of Adolescent Development and Support (DADS), announces the award of a single-source expansion supplement grant of \$34,000 to the National Runaway Switchboard to support

research and the translation of “Let’s Talk Curriculum” into Spanish and disseminate it to culturally appropriate prevention resources to expand outreach to Latino youth and their families.

DATES: The award will support activities from September 29, 2015 through September 29, 2016.

FOR FURTHER INFORMATION CONTACT:

Christopher Holloway, Central Office Program Manager, Runaway and Homeless Youth Program, Division of Adolescent Development and Support, Family and Youth Services Bureau, 330 C Street SW., Washington, DC 20201; Telephone: 202–205–9560; Email: Christopher.Holloway@acf.hhs.gov.

SUPPLEMENTARY INFORMATION: The National Runaway Safeline, operated by the National Runaway Switchboard, serves as the federally-designated national communication system for homeless and runaway youth. Through hotline and online services, the National Runaway Switchboard provides crisis intervention, referrals to local resources, and education and prevention services to runaway, homeless, and at-risk youth, their families, and communities 24 hours a day, 7 days a week, every day of the year, in a neutral and confidential manner. Beyond its mission, the National Runaway Switchboard is committed to elevate the dialogue about runaway and homeless youth issues to ensure everyone understands the importance of supporting vulnerable youth, the programs that serve them, and the value of disseminating prevention materials to increase skills and competencies among at-risk youth.

The expansion supplement award will allow the National Runaway Switchboard to:

- Conduct research to increase public education on issues impacting at-risk, runaway, and homeless youth and to disseminate data about the need to support youth-serving programs in communities nationwide.
- Translate the “Let’s Talk Curriculum” into a Spanish version and disseminate it to culturally appropriate prevention resources to expand outreach to Latino youth and their families.

The National Runaway Switchboard will conduct the research to analyze their data and utilize the research findings to enhance prevention programs, improve technical support, and reach out to diverse media outlets to increase public knowledge on these issues. More important, the research information will assist youth-serving organizations in explaining the need for their services. Often, local stakeholders

do not understand the importance of providing services and programs to runaway and homeless youth because they are not aware of the impact of these issues. When a youth runs away, the impact is felt throughout an entire community. By learning about the causes, short-term, and long-term effects of runaway and homeless behaviors, communities can move away from stereotypes and provide the resources and connections needed for vulnerable youth.

The research and Spanish translation services are crucial projects that support the Switchboard’s efforts, and FYSB’s commitment, to provide resources to runaway and homeless youth, underserved communities, and those who support these vulnerable populations.

Statutory Authority: Section 331 of the Runaway and Homeless Youth Act, as amended by the Reconnecting Homeless Youth Act of 2008, Public Law 110–378, authorizes the award of grants for the National Communication System for Runaway and Homeless Youth (42 U.S.C. 5714–11).

Announcement of the Award a Single-Source Program Expansion Supplement Grant to BCFS Health and Human Services in San Antonio, TX

AGENCY: Office of Refugee Resettlement, ACF, HHS.

ACTION: The Administration for Children and Families (ACF), Office of Refugee Resettlement (ORR), announces the award of a single-source program expansion supplement grant to BCFS Health and Human Services (BCFS) in San Antonio, TX, under the Unaccompanied Children’s (UC) Program to support home study services.

SUMMARY: The Administration for Children and Families (ACF), Office of Refugee Resettlement (ORR), announces the award of a single-source program expansion supplement grant for \$500,000. The expansion supplement grant will support the need to increase home study capacity to expedite

completion of home studies for approximately 400 UCs.

BCFS provides nationwide coverage of home study services to children in the care and custody of ORR, as well as services to include counseling, case management, and additional support services to the family or to the UC and their sponsor when a UC is released from ORR's care and custody.

DATES: Supplemental award funds will support activities from September 29, 2015 through September 30, 2015.

FOR FURTHER INFORMATION CONTACT:

Jalyn Sualog, Director, Division of Children's Services, Office of Refugee Resettlement, 901 D Street SW., Washington, DC 20447. Email: DCSProgram@acf.hhs.gov.

SUPPLEMENTARY INFORMATION: While this number of referrals to the Unaccompanied Children Program in FY 2015 is well below the total referrals from FY 2014, ORR has seen a change to recent referral trends, including a steady August referral rate and an increasing occupancy rate of UC in care. This increase in referrals has also generated a correlating increase in the need for home study services. The supplemental awards will support and expand home study services for UC to facilitate their release from ORR custody.

ORR has specific requirements for the provision of services. Award recipients must have the infrastructure, licensing, experience, and appropriate level of trained staff to meet the service requirements and the urgent need for expansion of services. The program's ability to avoid a buildup of children waiting, in Border Patrol stations, for placement in shelters, can only be accommodated through the expansion of the existing program and its services through the supplemental award.

Statutory Authority: This program is authorized by—

(A) Section 462 of the Homeland Security Act of 2002, which in March 2003, transferred responsibility for the care and custody of Unaccompanied Alien Children from the Commissioner of the former Immigration and Naturalization Service (INS) to the Director of ORR of the Department of Health and Human Services (HHS).

(B) The Flores Settlement Agreement, Case No. CV85-4544RJK (C. D. Cal. 1996), as well as the William Wilberforce Trafficking Victims Protection Reauthorization Act of 2008 (Pub. L. 110-457), which authorizes post release services under certain conditions to eligible children. All programs must comply with the Flores Settlement Agreement, Case No. CV85-4544-RJK (C.D. Cal. 1996), pertinent regulations and ORR policies and procedures.
