

improper activity in connection with Equity Investment Tracking Stocks, help assure compliance with the proposed listing standards, and identify areas where such standards might need to be strengthened going forward.

With respect to the proposed fees, the Commission believes it is consistent with the Act for the Exchange to exclude issuers whose only common equity security listed on the Exchange is an Equity Investment Tracking Stock from receiving the complimentary products and services provided for under Section 907.00 of the Manual. The Exchange stated that most of the services provided under Section 907.00 would be of limited value and appeal to issuers of Equity Investment Tracking Stocks.

Finally, the Commission believes that the proposed listing and annual fees for Equity Investment Tracking Stocks are an equitable allocation of reasonable fees. The Exchange stated that it is appropriate to charge lower fees to issuers whose only common equity security listed on the Exchange is an Equity Investment Tracking Stock because there are regulatory efficiencies for the Exchange when the issuer of an Equity Investment Tracking Stock and the issuer of the tracked stock are both listed on the Exchange. The Exchange represented that it does not believe that the proposed fees would negatively affect its ability to continue to adequately fund its regulatory program or the services the Exchange provides to issuers. According to the Exchange, these lower fees also reflect the fact that issuers whose only listed security is an Equity Investment Tracking Stock will not receive the complimentary products and services that other listed issuers of equity securities are eligible for under Section 907.00 of the Manual.

IV. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,³⁹ that the proposed rule change (SR-NYSE-2016-22), as modified by Amendment Nos. 5 and 6, be, and it hereby is, approved.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.⁴⁰

Brent J. Fields,
Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-78154; File No. SR-NYSE-2016-46]

Self-Regulatory Organizations; New York Stock Exchange LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change for a Temporary Suspension of Those Aspects of Rules 36.20 and 36.21 That Would Not Permit Floor Brokers To Use Personal Portable Phone Devices on the Trading Floor Due to the Unavailability of Floor Broker Telephone Services

June 24, 2016.

Pursuant to Section 19(b)(1) ¹ of the Securities Exchange Act of 1934 (the “Act”) ² and Rule 19b-4 thereunder,³ notice is hereby given that on June 24, 2016, New York Stock Exchange LLC (“NYSE” or the “Exchange”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes a temporary suspension of those aspects of Rules 36.20 and 36.21 that would not permit Floor brokers to use personal portable phone devices on the Trading Floor due to the unavailability of Floor broker telephone services on June 24, 2016. The proposed rule change is available on the Exchange’s Web site at www.nyse.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below,

of the most significant parts of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to temporarily suspend those aspects of Rules 36.20 and 36.21 that would not permit Floor brokers to use personal portable phone devices on the Trading Floor.⁴ As proposed, all other aspects of Rule 36 remain applicable and the temporary suspensions of the applicable Rule 36 requirements are in effect on June 24, 2016 only.⁵

On June 24, 2016, the third-party carrier that provides service for the wired phone lines for Floor brokers experienced an issue that affected the availability of those phone lines. This suspension of service only impacted the service for telephone service for Floor brokers and did not impact phone service for Designated Market Makers. The Exchange is working closely with the third-party carrier to restore such phone service.

Rules 36.20 and 36.21 govern the type of telephone communications that are approved for Floor brokers. Pursuant to Rule 36.20, Floor brokers may maintain a telephone line on the Trading Floor and use Exchange authorized and provided portable phones while on the Trading Floor. The use of such Exchange authorized and provided portable phones is governed by Rule 36.21. Because of the issues with the third-party carrier, Floor brokers are unable to reach their customers via their third-party carrier wired telephone lines. While Exchange-provided portable phones are operating, not all Floor brokers have Exchange-provided and authorized portable phones. However, the personal cell phones of Floor brokers are operational on the Trading Floor. The Exchange believes that because communications with customers is a vital part of a Floor broker’s role as agent and therefore contributes to maintaining a fair and orderly market, during the period when the phone lines are non-operational, Floor brokers who do not have Exchange authorized and provided portable phones should be permitted to

⁴ Pursuant to Rule 6A, the Trading Floor is defined as the restricted-access physical areas designated by the Exchange for the trading of securities.

⁵ The Exchange provided Floor brokers with notice of this rule filing, including the applicable recordkeeping and other requirements related to using personal cell phones during the temporary suspension of Rule 36.

use personal cell phone devices in lieu of the non-operational wired phone lines.⁶

The Exchange therefore proposes to temporarily suspend the limitations in Rules 36.20 and 36.21 that permit Floor brokers to use only Exchange authorized and provided portable phones so that Floor brokers who do not have an Exchange authorized and portable phone may use personal cell phones on the Trading Floor. The Exchange proposes that pursuant to this temporary suspension, Floor brokers must provide the Exchange with the names of all Floor-based personnel who used personal portable phones during this temporary suspension period, together with the phone number and applicable carrier for each number. Floor broker member organizations must maintain in their books and records all cell phone records that show both incoming and outgoing calls that were made during the period that a personal portable phone was used on the Trading Floor. To the extent the records are unavailable from the third-party carrier, the Floor brokers must maintain contemporaneous records of all calls made or received on a personal portable phone while on the Trading Floor. As with all member organization records, such cell phone records must be provided to Exchange regulatory staff on request.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act,⁷ in general, and furthers the objectives of Section 6(b)(5) of the Act,⁸ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, and to remove impediments to and perfect the mechanism of a free and open market and a national market system.

In particular, because of issues experienced by a third-party phone carrier, wired phone lines are not functional. The Exchange believes that the proposed temporary suspensions from those aspects of Rule 36 that restrict Floor broker's use of personal portable phones on the Trading Floor removes impediments to and perfects the mechanism of a free and open

market and national market system because the proposed relief will enable Floor brokers who do not have an Exchange authorized and provided portable phone to conduct their regular business, notwithstanding the ongoing issues with telephone service. The Exchange further believes that without the requested relief, Floor brokers would be compromised in their ability to conduct their regular course of business on the Trading Floor. In particular, for Floor brokers, because they operate as agents for customers, their inability to communicate with customers could compromise their ability to represent public orders on the Trading Floor.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange does not believe that the proposed rule change will impose any burden on competition because the proposed change only impacts Floor brokers and has no change in operations for other market participants or other market centers. To the contrary, the Exchange believes that without the proposed relief, Floor brokers would be compromised in their ability to conduct their regular course of business on the Trading Floor, thereby placing a burden on the Floor brokers' ability to compete.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act⁹ and Rule 19b-4(f)(6) thereunder.¹⁰ Because the proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become

effective pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6)(iii) thereunder.¹¹

A proposed rule change filed under Rule 19b-4(f)(6) under the Act¹² normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),¹³ the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. In support of the request, the Exchange states that waiver the 30-day operative delay will allow the Exchange to invoke the relief immediately upon filing, which is necessary so that Floor brokers may be able to communicate with their customers on a day with significantly increased volumes of trading due both to the United Kingdom referendum vote to leave the European Union and the rebalancing of the Russell Investment Group indices after the close of trading on June 24, 2016. Based on the above, the Commission believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest because it will permit Floor brokers to remain in communication with customers while wired phone lines are unavailable. Accordingly, the Commission designates the proposed rule change as operative upon filing with the Commission.¹⁴

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)¹⁵ of the Act to determine whether the proposed rule

¹¹ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Commission has determined to waive the five-day prefiling period in this case.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-78150; File No. SR-NASDAQ-2016-086]

Self-Regulatory Organizations; The NASDAQ Stock Market LLC; Notice of Filing of Proposed Rule Change to List and Trade the Shares of the VanEck Vectors Long/Flat Commodity ETF

June 24, 2016.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on June 10, 2016, The NASDAQ Stock Market LLC ("Nasdaq" or "Exchange") filed with the Securities and Exchange Commission ("SEC" or "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to list and trade the shares of the VanEck Vectors Long/Flat Commodity ETF (the "Fund"), a series of VanEck Vectors ETF Trust ("Trust"), under Nasdaq Rule 5735 ("Managed Fund Shares"). The shares of the Fund are collectively referred to herein as the "Shares."

The text of the proposed rule change is available at <http://nasdaq.cchwallstreet.com/>, at Nasdaq's principal office, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set

forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to list and trade the Shares of the Fund under Nasdaq Rule 5735, which governs the listing and trading of Managed Fund Shares³ on the Exchange.⁴ The Fund will be an actively managed exchange-traded fund ("ETF"). The Shares will be offered by the Trust, which was organized as a Delaware statutory trust on March 15, 2001.⁵ The Trust is registered with the Commission as an investment company and has filed a registration statement on Form N-1A ("Registration Statement") with the Commission.⁶ The Fund is a series of the Trust.

Van Eck Absolute Return Advisers Corporation will be the investment adviser ("Adviser") and the

³ A Managed Fund Share is a security that represents an interest in an investment company registered under the Investment Company Act of 1940 (15 U.S.C. 80a-1) (the "1940 Act") organized as an open-end investment company or similar entity that invests in a portfolio of securities selected by its investment adviser consistent with its investment objectives and policies. In contrast, an open-end investment company that issues Index Fund Shares, listed and traded on the Exchange under Nasdaq Rule 5705, seeks to provide investment results that correspond generally to the price and yield performance of a specific foreign or domestic stock index, fixed income securities index or combination thereof.

⁴ The Commission approved Nasdaq Rule 5735 in Securities Exchange Act Release No. 57962 (June 13, 2008), 73 FR 35175 (June 20, 2008) (SR-NASDAQ-2008-039). The Fund would not be the first actively-managed fund listed on the Exchange; see Securities Exchange Act Release No. 66489 (February 29, 2012), 77 FR 13379 (March 6, 2012) (SR-NASDAQ-2012-004) (order approving listing and trading of WisdomTree Emerging Markets Corporate Bond Fund). The Exchange believes the proposed rule change raises no significant issues not previously addressed in those prior Commission orders.

⁵ The Commission has issued an order granting certain exemptive relief to the Trust under the 1940 Act (the "Exemptive Order"). See Investment Company Act Release No. 29571 (January 24, 2011) (File No. 812-13601). In compliance with Nasdaq Rule 5735(b)(5), which applies to Managed Fund Shares based on an international or global portfolio, the Trust's application for exemptive relief under the 1940 Act states that the Fund will comply with the federal securities laws in accepting securities for deposits and satisfying redemptions with redemption securities, including that the securities accepted for deposits and the securities used to satisfy redemption requests are sold in transactions that would be exempt from registration under the Securities Act of 1933 (15 U.S.C. 77a).

⁶ See Registration Statement on Form N-1A for the Trust, dated November 12, 2015 (File Nos. 333-123257 and 811-10325). The descriptions of the Fund and the Shares contained herein are based, in part, on information in the Registration Statement.
