Commenters are encouraged, but not required, to send a courtesy copy of any comments by mail or courier to the U.S. Department of Labor-OASAM, Office of the Chief Information Officer, Attn: Departmental Information Compliance Management Program, Room N1301,

Authority: 44 U.S.C. 3507(a)(1)(D).

SUPPLEMENTARY INFORMATION: This ICR seeks approval under the PRA for revisions to the Claim for Reimbursement-Assisted Reemployment information collection. The Federal Employees' Compensation Act (FECA), in relevant part, provides vocational rehabilitation services to eligible injured Federal employees to facilitate their return to work. *See* 5 U.S.C 8104(a). The cost of providing these vocational rehabilitation services is paid from the Federal Employees' Compensation Fund, and annual appropriations language provides the OWCP with legal authority to use amounts from the Fund to reimburse private sector employers for a portion of the salary of reemployed disabled Federal workers hired through the OWCP Assisted Reemployment Program. Employers submit Form CA-2231 to claim reimbursement for wages paid under the Assisted Reemployment Program. This information collection has been classified as a revision, because of an enhanced certification statement, the addition of a line for the supervisor's printed name, and enhanced Privacy Act and reasonable accommodations statements. FECA sections 8121 and 8149 authorize this information collection. *See* 5 U.S.C. 8121 and 8149.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. *See* 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1240-0018. The current approval is scheduled to expire on July 31, 2016; however, the DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. New requirements would only take effect

upon OMB approval. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on March 23, 2016 (81 FR 15572).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the **ADDRESSES** section within thirty (30) days of publication of this notice in the **Federal Register**. In order to help ensure appropriate consideration, comments should mention OMB Control Number 1240-0018. The OMB is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Agency: DOL-OWCP.

Title of Collection: Claim for Reimbursement-Assisted Reemployment.

OMB Control Number: 1240-0018.

Total Estimated Number of Respondents: 32.
