SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-78327; File No. SR-FINRA-2016-026]

Self-Regulatory Organizations; Financial Industry Regulatory Authority, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change to Update Rule Cross-References and Make Non-Substantive Technical Changes to Certain FINRA Rules

July 14, 2016.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on July 7, 2016, Financial Industry Regulatory Authority, Inc. ("FINRA") filed with the Securities and Exchange Commission ("SEC" or "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by FINRA. FINRA has designated the proposed rule change as constituting a "non-controversial" rule change under paragraph (f)(6) of Rule 19b-4 under the Act,³ which renders the proposal effective upon receipt of this filing by the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of the Substance of the Proposed Rule Change

FINRA is proposing to update cross-references and make other non-substantive changes within FINRA rules, due in part to the adoption of a new consolidated FINRA rule.

The text of the proposed rule change is available on FINRA's Web site at <http://www.finra.org>, at the principal office of FINRA and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, FINRA included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. FINRA has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

FINRA has been developing a consolidated rulebook ("Consolidated FINRA Rulebook").⁴ That process involves FINRA submitting to the Commission for approval a series of proposed rule changes over time to adopt rules in the Consolidated FINRA Rulebook. The phased adoption and implementation of those rules necessitates periodic amendments to update rule cross-references and other non-substantive changes in the Consolidated FINRA Rulebook.

The proposed rule change would make some of those changes, as well as other non-substantive changes unrelated to the adoption of rules in the Consolidated FINRA Rulebook.

First, the proposed rule change would update rule cross-references to reflect the adoption of a consolidated investment company securities rule. On June 9, 2016, FINRA filed with the SEC a proposed rule change, for immediate effectiveness, to adopt NASD Rule 2830 as FINRA Rule 2341 (Investment Company Securities), without any substantive changes. As part of that rule filing, FINRA also deleted in its entirety NASD Rule 2830.⁵ Rule 2341 will be implemented on July 9, 2016. As such, the proposed rule change would update references to the new rule number in FINRA Rules 2320 (Variable Contracts of an Insurance Company) and 6630 (Applicability of FINRA Rules to Securities Previously Designated as PORTAL Securities). The proposed rule change further would delete from the FINRA Manual the heading for the NASD Rule 2800 Series (Special Products) and the placeholder for NASD Rule 2870 (Reserved) to reflect that the NASD Rule 2800 Series⁶ has fully been consolidated into the FINRA rules.

⁴ The current FINRA rulebook consists of (1) FINRA Rules; (2) NASD Rules; and (3) rules incorporated from NYSE ("Incorporated NYSE Rules") (together, the NASD Rules and Incorporated NYSE Rules are referred to as the "Transitional Rulebook"). While the NASD Rules generally apply to all FINRA members, the Incorporated NYSE Rules apply only to those members of FINRA that are also members of the NYSE ("Dual Members"). The FINRA Rules apply to all FINRA members, unless such rules have a more limited application by their terms. For more information about the rulebook consolidation process, see *Information Notice*, March 12, 2008 (Rulebook Consolidation Process).

⁵ See Securities Exchange Act Release No. 78130 (June 22, 2016), 81 FR 42016 (June 28, 2016) (Notice of Filing and Immediate Effectiveness of File No. SR-FINRA-2016-019).

⁶ See *supra* note 5.

² 17 CFR 240.19b-4.

³ 17 CFR 240.19b-4(f)(6).

⁵⁵ 17 CFR 200.30-3(a)(12).

Second, the proposed rule change would make technical changes to FINRA Rules 6191 (Compliance with Regulation NMS Plan to Implement a Tick Size Pilot Program)⁷ and 7440 (Recording of Order Information)⁸ to reflect FINRA Manual style convention changes and correct paragraph numbering. FINRA would also merge the Supplementary Material in Rule 6191(a) with and into the Supplementary Material in Rule 6191(b) to reflect FINRA Manual style convention.⁹

Finally, the proposed rule change would also delete from FINRA Funding Portal Rule 100 the reference to FINRA Dispute Resolution, Inc. to reflect the merger of FINRA Dispute Resolution, Inc. into and with FINRA.¹⁰

FINRA has filed the proposed rule change for immediate effectiveness and has requested that the SEC waive the requirement that the proposed rule change not become operative for 30 days after the date of the filing, so that FINRA can implement the proposed rule change to coincide with the effective dates of the affected rules. The implementation date for the proposed changes to FINRA Rules 2320 and 6630, Funding Portal Rule 100, and the proposed deletion of the NASD Rule 2800 Series heading and NASD Rule 2870 will be July 9, 2016. The implementation date for the changes to FINRA Rules 6191 and 7440 will be October 3, 2016 and August 1, 2016, respectively, to coincide with the implementation date of the rules.

2. Statutory Basis

FINRA believes that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Act,¹¹ which requires, among other things, that FINRA rules must be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest. FINRA believes the

proposed rule change will provide greater clarity to members and the public regarding FINRA's rules.

B. Self-Regulatory Organization's Statement on Burden on Competition

FINRA does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change brings clarity and consistency to FINRA rules without adding any burden on firms.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act¹² and subparagraph (f)(6) of Rule 19b-4 thereunder.¹³

Under Rule 19b-4(f)(6) of the Act,¹⁴ the proposal does not become operative for 30 days after the date of its filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest. FINRA has requested that the Commission waive the 30-day operative delay so that the proposed rule change will become operative on filing. FINRA stated that the proposed rule change updates cross-references and makes no substantive changes, and it would like to implement the change to coincide with the effective dates of the affected rules. For this reason, the Commission believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest. Therefore, the Commission designates the proposed rule change to be operative upon filing.¹⁵

At any time within 60 days of the filing of the proposed rule change, the

Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) Necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

DEPARTMENT OF STATE

[Public Notice: 9640]

Memorandum of Agreement Between the U.S. Department of State Bureau of Consular Affairs and the Council on Accreditation

AGENCY: Department of State.

ACTION: Notice.

SUMMARY: The Department of State (the Department) is the lead Federal agency for implementation of the 1993 Hague Convention on Protection of Children and Co-operation in Respect of Intercountry Adoption (the Convention), the Intercountry Adoption Act of 2000 (IAA), and the Intercountry Adoption Universal Accreditation Act of 2012 (UAA). Among other things, the IAA and UAA give the Secretary of State responsibility, by entering into agreements with one or more qualified entities and designating such entities as accrediting entities, for the accreditation of agencies and approval of persons to provide adoption services in intercountry adoptions. This notice is to inform the public that on July 11, 2016, the Department entered into an agreement with the Council on Accreditation (COA) designating COA as an accrediting entity (AE) for an additional five years.

The Memorandum of Agreement between the U.S. Department of State Bureau of Consular Affairs and the Council on Accreditation (2016 MOA) remains largely consistent with the terms of the MOA signed on July 12, 2006 by Maura Harty, Assistant Secretary for Consular Affairs, U.S. Department of State and signed on July 6, 2006 by Richard Klarberg, President and Chief Executive Officer, COA. However, the 2016 MOA has been updated to reflect enactment of the UAA and to remove obsolete references, while further refining the role and responsibilities of the accrediting entity and taking into account subsequent updates to the intercountry adoption accreditation regulations in 22 CFR part 96. The text of the 2016 MOA is included in its entirety at the end of this Notice.

FOR FURTHER INFORMATION CONTACT: Valerie Barlow at 202–485–6347. Hearing or speech-impaired persons

may use the Telecommunications Devices for the Deaf (TDD) by contacting the Federal Information Relay Service at 1–800–877–8339.

SUPPLEMENTARY INFORMATION: The Department, pursuant to section 202(a) of the IAA, must enter into an agreement with at least one qualified entity and designate it as an accrediting entity. Accrediting entities may be (1) nonprofit private entities with expertise in developing and administering standards for entities providing child welfare services; or (2) state adoption licensing bodies that have expertise in developing and administering standards for entities providing child welfare services and that accredit only agencies located in that state. Both nonprofit accrediting entities and state accrediting entities must meet any other criteria that the Department may by regulation establish. COA is a nonprofit private entity with expertise in developing and administering standards for entities providing child welfare services throughout the United States.

The final rule on accreditation of agencies and approval of persons (22 CFR part 96) was published in the **Federal Register** (71 FR 8064–8066, February 15, 2006) and became effective on March 17, 2006. The final rule establishes the regulatory framework for the accreditation and approval function and provides the standards that the designated accrediting entities will follow in accrediting or approving adoption service providers. Under the UAA, adoption service providers working with prospective adoptive parents in non-Convention adoption cases need to comply with the same accreditation requirement and standards that apply in Convention adoption cases.

Through the Department’s ongoing monitoring and oversight of COA, which includes an annual performance review, the Department observed that COA’s performance of its duties as an accrediting entity is in substantial compliance with the IAA, UAA and regulations set forth in Title 22 of the Code of Federal Regulations, part 96. Therefore, the Department has renewed the designation of COA as an AE.
