

the proposed rule change is consistent with Section 6(b)(4) of the Act,¹³ in that it provides for the equitable allocation of reasonable dues, fees and other charges among Members and other persons using any facility or system which the Exchange operates or controls. The Exchange notes that it operates in a highly competitive market in which market participants can readily direct order flow to competing venues or providers of routing services if they deem fee levels to be excessive.

The Exchange believes the proposed rebate is equitable and not unfairly discriminatory because it would be equally available and objectively applied to all Members orders submitted and executed in response to SUM auctions on the Exchange. The Exchange further believes the proposed rebate is equitable and reasonable as it is an additional rebate per contract designed to encourage Members to enter orders in response to SUM auctions on the Exchange. The Exchange further believes that the rebate is reasonable because the proposed additional rebate per contract does not represent a significant departure from pricing previously offered by the Exchange or other options exchanges. Lastly, the Exchange believes the proposed rebate is not unfairly discriminatory as all Members may enter orders in response to a SUM auction and receive the proposed rebate if their order is executed.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange believes the proposed rebate would not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange does not believe that the proposed rebate represents a significant departure from previous pricing offered by the Exchange or pricing offered by the Exchange's competitors. Rather, the Exchange believes the proposal will enhance competition as it is a competitive proposal that seeks to further the growth of the Exchange by encouraging Members to enter orders in response to SUM auctions.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any written

comments from members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁴ and paragraph (f) of Rule 19b-4 thereunder.¹⁵ At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

Background

In 2007, the Exchange and FINRA⁶ entered into an agreement (the “Agreement”) pursuant to Rule 17d-2 under the Act to reduce regulatory duplication by allocating to FINRA certain regulatory responsibilities for NYSE rules and rule interpretations (“FINRA Incorporated NYSE Rules”).⁷ In order to reduce regulatory duplication and relieve firms that are members of the Exchange and FINRA of conflicting or unnecessary regulatory burdens, FINRA has been reviewing and amending the NASD and FINRA Incorporated NYSE Rules in order to create a consolidated FINRA rulebook.⁸

Payment of Transaction-Based Compensation

As part of the rule consolidation process, in 2014, FINRA adopted FINRA Rule 2040 regarding payment of transaction-based compensation by members to unregistered persons.⁹ The requirements of Incorporated NYSE Rule 353¹⁰ as well as Incorporated

“member organization” for “member” and the term “Exchange” for “FINRA.”

⁶ NYSE Regulation, Inc., a former not-for-profit subsidiary of the Exchange, was also a party to the Agreement by virtue of the fact that it performed regulatory functions for the Exchange pursuant to a delegation agreement. See Securities Exchange Act Release No. 53382 (February 27, 2006), 71 FR 11251, 11264-65 (March 6, 2006) (SR-NYSE-2005-77) (approving delegation agreement). The delegation agreement terminated on February 16, 2016, and NYSE Regulation has ceased providing regulatory services to the Exchange, which has re-integrated its regulatory functions.

⁷ See Securities Exchange Act Release Nos. 56148 (July 26, 2007), 72 FR 42146 (August 1, 2007) (order approving the Agreement); 56147 (July 26, 2007), 72 FR 42166 (August 1, 2007) (SR-NASD-2007-054) (order approving the incorporation of certain NYSE Rules as “Common Rules”). Paragraph 2(b) of the Agreement sets forth procedures regarding proposed changes by FINRA or the Exchange to the substance of any of the Common Rules.

⁸ FINRA’s rulebook currently has three sets of rules: (1) NASD Rules, (2) FINRA Incorporated NYSE Rules, and (3) consolidated FINRA Rules. The FINRA Incorporated NYSE Rules apply only to those members of FINRA that are also members of the NYSE (“Dual Members”), while the consolidated FINRA Rules apply to all FINRA members. For more information about the FINRA rulebook consolidation process, see FINRA Information Notice, March 12, 2008.
