**General Electric Company; Transportation Division; Including On-Site Leased Workers From Adecco, YOH Services LLC, CH2MHILL, and GGS Information Services Erie, Pennsylvania; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance**

In accordance with Section 223 of the Trade Act of 1974, as amended ("Act"), 19 U.S.C. 2273, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on June 3, 2014, applicable to workers and former workers of General Electric Company, Transportation Division, including on-site leased workers from Adecco, Erie, Pennsylvania. On January 28, 2015, the Department issued an amended certification to include on-site leased workers from Yoh Services LLC.

At the request of the Commonwealth of Pennsylvania, the Department reviewed the certification for workers of the subject firm.

The company reports that workers leased from CH2MHill and GGS Information Services were on-site at the Erie, Pennsylvania location of General Electric Company, Transportation Division. The Department has determined that these workers were sufficiently under the control of the subject firm to be considered leased workers.

Based on these findings, the Department is amending this certification to include workers leased from CH2MHill and GGS Information Services working on-site at the Erie, Pennsylvania location of General Electric Company, Transportation Division.

The amended notice applicable to TA-W-83,328 is hereby issued as follows:

All workers of General Electric Company, Transportation Division, including on-site leased workers from Adecco, Yoh Services LLC, CH2MHill, and GGS Information Services, Erie, Pennsylvania, who became totally or partially separated from employment on or after December 20, 2012 through June 3, 2016, and all workers in the group threatened with total or partial separation from employment on the date of certification through two years from the date of certification, are eligible to apply for

adjustment assistance under Chapter 2 of Title II of the Trade Act of 1974, as amended.

Signed in Washington, DC, this 20th day of May, 2016.

In accordance with Section 223 of the Trade Act of 1974, as amended ("Act"), 19 U.S.C. 2273, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on June 1, 2016, applicable to workers of Sherwin Alumina Company, LLC, Gregory, Texas. The Department's notice of determination was published in the **Federal Register** on June 28, 2016 (81 FR 41997).

At the request of State Workforce Office, the Department reviewed the certification for workers of the subject firm. The workers are engaged in

#### **GE Industrial Solutions Service Engineering Organization Atlanta, Georgia: Notice of Revised Determination After Statutory Reconsideration**

As required by the Trade Adjustment Assistance Reauthorization Act of 2015 (TAARA 2015), which was enacted as Title IV of the Trade Preferences Extension Act of 2015, Public Law 114-27, section 405(a)(1)(A), the investigation into this petition was reopened for a reconsideration investigation to apply the requirements for worker group eligibility under chapter 2 of title II of the Trade Act of 1974, as amended by the TAARA 2015, to the facts of this petition (statutory reconsideration).

The initial investigation, initiated June 12, 2014, resulted in a negative determination, issued on September 30, 2014, that was based on worker separations not being attributable to increased imports or a shift in production. A complaint was filed with the United States Court of International Trade (USCIT) on November 28, 2014 (No. 14-00314); however, a joint dismissal of the case was filed on July 20, 2015. During the Remand investigation, the worker group was clarified to be GE Industrial Solutions Service Engineering Organization, Atlanta, Georgia (hereafter referred to as "GE Industrial Solutions Service Engineering Organization"). The workers' firm is engaged in activities related to the supply of designing, testing, documenting, and engineering services.

"Firm includes an individual proprietorship, partnership, joint venture, association, corporation (including a development corporation), business trust, cooperative, trustee in bankruptcy, and receiver under decree of any court." 29 CFR 90.2

Based on information reviewed during the reconsideration investigation, the Department of Labor determines that a shift in services to a
