SUPPLEMENTARY INFORMATION: As an entity created and funded by Congress, LSC has a duty to the American people to pursue its fundamental mission of equal access to justice. With this primary goal in mind, the LSC Board adopted a plan in 2012 setting forth the strategic goals that would guide LSC for five years, ending in 2016. The LSC Board is now in the process of updating and revising the strategic plan for an additional four-year period. As part of this process, the LSC Board sought input from the public and interested stakeholders on whether the goals articulated in the current LSC strategic plan for 2012-2016 are still suitable and timely and whether new goals, if any, should be considered. 81 FR 3836, Jan. 29, 2016.

Based on the feedback received from stakeholders, LSC proposes to continue working on the three goals identified in the 2012-2016 Strategic Plan over the next four years with only minor changes in focus. The three goals in the 2017-2020 strategic plan are:

1. Maximize the availability, quality, and effectiveness of the services LSC's grantees provide to eligible low-income individuals.
2. Expand the role of LSC as a convener and leading voice for civil legal services for low-income Americans.
3. Continue to achieve the highest standards of management for LSC and its grantees to sustain a capable, responsive, and accountable organization.

Dated: July 29, 2016.
