Food and Nutrition Service

Title: Erroneous Payments in Child Care Centers Study (EPICCS).

OMB Control Number: 0584-NEW.

Summary of Collection: The Child and Adult Care Food Program (CACFP), administered by the Food and Nutrition Service (FNS), is authorized at Section 17 of the National School Lunch Act (42 U.S.C. 1766). The CACFP supports day care centers through reimbursements of costs for serving nutritious meals and snacks to eligible children and adults. The Improper Payments Information Act (IPIA) of 2002 (Pub. L. 107-300) set annual requirements for Federal programs, such as CACFP, to report estimates of improper payments in an effort to improve program integrity. Further guidance was provided in a 2009 Executive Order and by the Improper Payments Elimination and Recovery Act (IPERA) of 2010 (Pub. L. 111-204) and the Improper Payments Elimination and Recovery Improvement Act (IPERIA) of 2012 (Pub. L. 112-248), which amended and expanded IPIA requirements. In order to comply with reporting requirements concerning improper payments, FNS is conducting the Erroneous Payments in Child Care Centers Study (EPICCS). This study will focus on CACFP operations in participating child care centers and their sponsoring organizations. This study is necessary for FNS's annual compliance with IPERA in the child care center component of CACFP.

Need and Use of the Information: The data collected from EPICCS will be used to produce national estimates of improper or erroneous payments in the child care center component of the CACFP resulting from certification, aggregation, and meal claiming errors; to develop models for calculating annual, national estimates for all three types of errors; and to describe methodologies for generating State-level erroneous payment estimates in a White Paper. FNS will also use the data to fulfill reporting requirements under IPERA to annually measure and report erroneous payments in the CACFP, to identify the sources of erroneous payments, and to inform its policy-making and regulatory

processes for maintenance and improvements in program integrity.

Description of Respondents:

Individuals or households, Businesses or other for-profits, Not-for profit institutions, and State, Local, or Tribal Government.

Number of Respondents: 8,942.

Frequency of Responses: Reporting: Annually.

Total Burden Hours: 13,906.

Granular Polytetrafluoroethylene Resin From Italy: Final Results of Sunset Review and Revocation of Antidumping Duty Order

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: On June 1, 2016, the Department of Commerce (the Department) initiated a sunset review of the antidumping duty order on granular polytetrafluoroethylene (PTFE) resin from Italy. Because the domestic interested parties did not participate in this sunset review, the Department is revoking this antidumping duty order.

DATES: Effective [July 18, 2016].

FOR FURTHER INFORMATION CONTACT: Toby Vandall, AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-1664.

SUPPLEMENTARY INFORMATION:

Background

On August 30, 1988, the Department issued the antidumping duty order on granular PTFE resin from Italy.¹ On July 18, 2011, at the conclusion of the most recently completed sunset review, the Department published a notice of continuation of the antidumping duty order on PTFE resin from Italy.² On June 1, 2016, the Department initiated the current sunset review of this order.³ We did not receive a notice of intent to participate from domestic interested parties for this sunset review by the applicable deadline. As a result, in accordance with 19 CFR 351.218(d)(1)(iii)(A), the Department determined that no domestic interested party intends to participate in this sunset review, and on June 20, 2016, we

notified the International Trade Commission, in writing, that we intended to issue a final determination revoking this antidumping duty order.⁴

Scope of the Order

The product covered by the order is PTFE resin, filled or unfilled. The order also covers PTFE wet raw polymer exported from Italy to the United States. *See Granular Polytetrafluoroethylene Resin From Italy: Final Affirmative Determination of Circumvention of Antidumping Duty Order*, 58 FR 26100 (April 30, 1993). The order excludes PTFE dispersions in water and fine powders. During the period covered by this review, such merchandise was classified under item number 3904.61.00 of the Harmonized Tariff Schedule of the United States (HTSUS). We are providing this HTSUS number for convenience and customs purposes only. The written description of the scope remains dispositive.

Revocation

Pursuant to section 751(c)(3)(A) of the Tariff Act of 1930, as amended (the Act) and 19 CFR 351.218(d)(1)(iii)(B)(3), if no domestic interested party files a notice of intent to participate, the Department shall, within 90 days after the initiation of the review, issue a final determination revoking the order. Because no domestic interested party filed a notice of intent to participate, the Department finds that no domestic interested party is participating in this sunset review. Therefore, we are revoking the antidumping duty order on PTFE from Italy.

Effective Date of Revocation

Pursuant to 19 CFR 351.222(i)(2)(i), the effective date of revocation is July 18, 2016, the fifth anniversary of the effective date of publication in the **Federal Register** of the previous continuation of this order.⁵ Pursuant to section 751(c)(3)(A) of the Act and 19 CFR 351.222(i)(2)(i), the Department intends to issue instructions to U.S. Customs and Border Protection, 15 days after publication of this notice, to terminate the suspension of liquidation of the merchandise subject to this order entered, or withdrawn from warehouse, for consumption on or after July 18, 2016. Entries of subject merchandise prior to the effective date of revocation will continue to be subject to suspension of liquidation and
