The following is a list and description of new OCPM provisions and the subject matter. For future quarterly notices, we will list only the specific updates to the list of manual provisions that have occurred in the covered 3-month period. This information is available on our Web site at http://www.hhs.gov/omha/OMHA_Case_Processing_Manual/index.html.

OCPM Division II: Part A/B Claim Determinations

Chapter 6, Pre-Hearing Case Development. This new chapter describes the pre-hearing case development process for requests for hearing on Medicare Part A and Part B reconsiderations issued by Qualified Independent Contractors (QICs) and Quality Improvement Organizations (QIOs), and escalations of requests for reconsideration by a QIC. The pre-hearing case development process helps identify and address evidentiary issues prior to the hearing to avoid delays and helps to ensure legal requirements related to new evidence are observed. The process also assists staff in determining whether a hearing is necessary for a given case. In addition, the process guides OMHA staff on processes available to facilitate the hearing process, such as identifying special needs for hearing participants, discovery, using experts, and conducting pre-hearing conferences.

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-5921-N-11]

The Privacy Act Of 1974, As Amended; Notice of New HUD Certified Housing Counselor and Client Certificate of Housing Counseling Database, System of Records

AGENCY: Office of the Assistance Secretary for Housing, HUD.

ACTION: New System of Records.

SUMMARY: The Department's Office of the Assistant Secretary for Housing, Federal Housing Commissioner is proposing to create a new system of records, the HUD Certified Housing Counselor and Client Certificate of Housing Counseling Database. The Office of the Assistant Secretary for Housing, Federal Housing Commissioner provides support to a nationwide network of housing counseling agencies that provide products and services to current and prospective homeowners, homeowners at risk of default, renters, and the homeless. Public Law 111-203 (2010) amends section 106 of the Housing and Urban Development Act of 1968 to improve the effectiveness of housing counseling services in HUD programs by, among other things, requiring that the entities and individual counselors be certified by HUD as competent to provide such services. The new HUD Certified Housing Counselor and Client Certificate of Housing Counseling Database will allow the Department to collect and track certification examination requirements and client housing counseling certificates issued by counselors participating in the Department's Housing Counseling Program. A detailed description of the new system and its functions are

contained in the Purpose statement of this notice.

DATES: *Effective Date:* The notice will be effective September 12, 2016, unless comments are received that would result in a contrary determination.

SUPPLEMENTARY INFORMATION: Publication of this notice allows the Department to satisfy its reporting requirement and keep an up-to-date accounting of its system of records publications. The new system of records incorporates Federal privacy requirements and HUD policy requirements. The Privacy Act places on Federal agencies principal responsibility for compliance with its provisions, by requiring Federal agencies to safeguard an individual's records against an invasion of personal privacy; protect records contained in an agency system of records from unauthorized disclosure; ensure that the records collected are relevant, necessary, current, and collected only for their intended use; and adequately safeguard the records to prevent misuse of such information. In addition, this notice demonstrates the Department's focus on following industry best practices to protect the personal privacy of the individuals covered by this system of records.

The system of records states the name and location of the record system, the authority for and manner of its operations, the categories of individuals that it covers, the type of records that it contains, the sources of the information in the records, the routine uses made of the records, and the type of exemptions in place for the records.
