Small Diameter Graphite Electrodes From the People's Republic of China: Rescission of Antidumping Duty Administrative Review in Part; 2015–2016

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) is rescinding its administrative review in part on small diameter graphite electrodes from the People's Republic of China (PRC) for the period of review (POR) February 1, 2015 through January 31, 2016.

DATES: Effective August 19, 2016.

FOR FURTHER INFORMATION CONTACT: Dmitry Vladimirov or Michael Romani AD/CVD Operations Office I, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482–0665 and (202) 482–0198, respectively.

SUPPLEMENTARY INFORMATION:

Background

On February 3, 2016, we published a notice of opportunity to request an administrative review of the antidumping duty order on small diameter graphite electrodes from the PRC for the POR February 1, 2015 through January 31, 2016.¹ On April 7, 2016, in response to a timely request from the petitioners² and in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.221(c)(1)(i), we initiated an administrative review of the antidumping duty order on small diameter graphite electrodes from the PRC with respect to 196 companies.³ On

July 6, 2016, the petitioners withdrew their request for an administrative review for 193 out of 196 companies.⁴ See Appendix for a full list of these companies. No other party requested a review.

Rescission of Administrative Review in Part

Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an administrative review, “in whole or in part, if a party that requested a review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review.” Because the petitioners timely withdrew their review request, and because no other party requested a review of the companies for which the petitioners requested a review, we are rescinding the administrative review, in part, with respect to 193 companies for which the petitioners originally sought a review.

Assessment

The Department will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries. For the companies for which the review is rescinded, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions to CBP within 15 days after publication of this notice.

Notifications to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement may result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification Regarding Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the

disposition of proprietary information disclosed under APO, in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.213(d)(4).

Dated: August 15, 2016.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
