CP83-4-000. National Fuel seeks authorization to abandon on injection/withdraw storage well and abandon in place the associated well line, all as more fully set forth in the application which is on file with the Commission and open to public inspection. National Fuel proposes to abandon facilities in its Henderson Storage Field, located in Mercer County, Pennsylvania. National Fuel proposes to plug and abandon one injection/withdrawal storage well, Well 622, and abandon in place the associated well line NW-622H.
