### Foreign-Trade Zones Board

[B-55-2016]

#### **Foreign-Trade Zone (FTZ) 281—Miami, Florida; Notification of Proposed Production Activity Carrier InterAmerica Corporation (Heating, Ventilating and Air Conditioning Systems); Miami, Florida**

Miami-Dade County, grantee of FTZ 281, submitted a notification of proposed production activity to the FTZ Board on behalf of Carrier InterAmerica Corporation (Carrier), located in Miami, Florida. The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on August 5, 2016.

The Carrier facility is located within Site 3 of FTZ 281. The facility is used to combine and segregate mini-split and multi-split type heating, ventilating, and air conditioning (HVAC) systems. Pursuant to 15 CFR 400.14(b), FTZ activity would be limited to the specific foreign-status materials and components and specific finished products described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt Carrier from customs duty payments on the foreign-status components used in export production. On its domestic sales, Carrier would be able to choose the duty rates during customs entry procedures that apply to mini-split and multi-split type HVAC systems and their component evaporator and condensing units (duty rates range from 1% to 2.2%) for the foreign-status inputs noted below. Customs duties also

could possibly be deferred or reduced on foreign-status production equipment.

The components and materials sourced from abroad include: Mini-split type HVAC systems, evaporator units and condensing units (duty rates range from 1% to 2.2%).

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is October 4, 2016.

A copy of the notification will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230-0002, and in the "Reading Room" section of the Board's Web site, which is accessible via [www.trade.gov/ftz](http://www.trade.gov/ftz).

**U.S.-EU Safe Harbor Framework Self-Certification Notice**

**AGENCY:** International Trade Administration, Department of Commerce.

**ACTION:** Notice of discontinuation of the U.S.-EU Safe Harbor Framework.

**SUMMARY:** The International Trade Administration (ITA) issues this notice regarding the U.S.-EU Safe Harbor Framework (U.S.-EU Safe Harbor). As of August 1, 2016, the Department of Commerce no longer accepts new submissions of self-certification to the U.S.-EU Safe Harbor. As of October 31, 2016, the Department of Commerce will no longer accept re-certification submissions to the U.S.-EU Safe Harbor.

**DATES:** The Department of Commerce stopped accepting new submissions of self-certification to the U.S.-EU Safe Harbor on August 1, 2016. As of October 31, 2016, the Department of Commerce will no longer accept re-certification submissions to the U.S.-EU Safe Harbor.

**FOR FURTHER INFORMATION CONTACT:** Shannon Coe, International Trade Administration, 202-482-6013 or [Shannon.Coe@trade.gov](mailto:Shannon.Coe@trade.gov).

**SUPPLEMENTARY INFORMATION:** On October 6, 2015, the European Court of

Justice issued a judgment<sup>1</sup> declaring as "invalid" the European Commission's Decision 2000/520/EC of 26 July 2000 "on the adequacy of the protection provided by the safe harbour privacy principles and related frequently asked questions issued by the US Department of Commerce." According to that decision, the U.S.-EU Safe Harbor Framework has not been a valid mechanism to comply with EU data protection requirements when transferring personal data from the European Union to the United States.

On July 12, U.S. Secretary of Commerce Penny Pritzker joined European Union Commissioner Věra Jourová to announce<sup>2</sup> the approval of the EU-U.S. Privacy Shield Framework,<sup>3</sup> replacing the U.S.-EU Safe Harbor. The EU-U.S. Privacy Shield Framework provides companies on both sides of the Atlantic with a mechanism to comply with European Union data protection requirements when transferring personal data from the European Union to the United States in support of transatlantic commerce. The Department of Commerce started accepting certifications<sup>4</sup> to the EU-U.S. Privacy Shield Framework<sup>5</sup> on August 1st.

As of August 1, 2016, the Department of Commerce stopped accepting new submissions for self-certification to the U.S.-EU Safe Harbor Framework; as of October 31, 2016, the Department of Commerce will stop accepting re-certification submissions to the U.S.-EU Safe Harbor Framework. The Department will maintain the U.S.-EU Safe Harbor List;<sup>6</sup> pursuant to the Safe Harbor Frequently Asked Question on Self-Certification, the commitment to adhere to the Safe Harbor Principles is not time-limited, and a participating organization must continue to apply the Safe Harbor Principles to data received under the Safe Harbor.

Please note that the Department of Commerce will continue to administer the U.S.-Swiss Safe Harbor Framework.
