

Mine Lands Program which began in 2014 and is scheduled to conclude in 2020. The Proposed Action Alternative is the Project as proposed by Energy Fuels in its plan of operations and the WDEQ–LQD Permit to Mine 381C as approved in July 2015.

The BLM Mitigation Alternative would utilize the same conventional mining techniques over the same period as under the Proposed Action Alternative, but modifications to the proposed reclamation plan would be required. In addition, the BLM Mitigation Alternative would identify opportunities to apply hierarchical mitigation strategies for on-site and regional mitigation strategies and identify areas appropriate to apply landscape-level conservation and management actions to achieve resource objectives.

The Notice of Intent to prepare an EIS was published in the **Federal Register** on August 23, 2011 (76 FR 52688). The scoping comments received in response to this notice were used while preparing the Draft EIS to inform during alternative development and to identify issues to be analyzed in the impact analysis. A 45-day public comment period for the Draft EIS was held from January 16–March 2, 2015. The BLM hosted a public meeting in Lander at the Fremont County Library on January 28, 2015.

Notable changes to the Draft EIS based on comments received include the following:

- Clarified the description of specific aspects of the Proposed Action, including revisions to the WDEQ–LQD Mine Permit 381C, storm-water management, disposal of dewatered waste water under the Wyoming Pollutant Discharge Elimination System (WYPDES), and roles and responsibilities of permitting agencies in allowing off-site versus on-site processing.
- Reviewed and revised the analysis of impacts to water resources as a result of the WYPDES permit and storm-water management plans under the Proposed Action Alternative for consistency with Mine Permit 381C.
- Added details to the analysis of impacts to Greater Sage-Grouse, particularly in regards to hauling material off site which included analyzing alternative haul routes to the potential off-site processing facility.
- Added details to the analysis of other resources such as public health and safety, wetlands, vegetation, soils, water, climate and air quality.

Following a 30-day Final EIS availability and review period, a Record of Decision (ROD) will be issued. The

decision reached in the ROD is subject to appeal to the Interior Board of Land Appeals. The 30-day appeal period begins with the issuance of the ROD.

Notice of Intent To Establish a Campground Fee on Public Land in Gunnison County, Colorado

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of Intent.

SUMMARY: The Bureau of Land Management (BLM), Gunnison Field Office, Gunnison, Colorado, intends to establish an overnight camping fee at the Oh Be Joyful Campground.

DATES: Comments on the proposed fee changes must be received or postmarked by November 25, 2016 and include a legible full name and address. Effective February 26, 2017, the BLM will initiate fee collection at the Oh Be Joyful Campground, unless the BLM publishes a **Federal Register** notice to the contrary. Comments received after the close of the comment period or delivered to an address other than the one listed in this notice may not be considered or included in the administrative record for the proposed fee.

ADDRESSES: Documents concerning this fee change may be reviewed at the Gunnison Field Office, 210 W. Spencer Avenue, Suite A, Gunnison, CO 81230. Written comments may be mailed or delivered to the same address; faxed to 970–642–4990; or emailed to blm_co_gfo_nepa_comments@blm.gov with “Oh Be Joyful Fee Proposal” referenced in the subject line.

FOR FURTHER INFORMATION CONTACT:

Stuart Schneider, Project Manager, at the address above, or phone (970) 642–4964. The Business Plan and information concerning the proposed fee schedule are available at <http://www.blm.gov/co/st/en/fo/gfo.html>. Persons who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1–800–877–8339 to contact Stuart Schneider during normal

business hours. The FIRS is available 24 hours a day, seven days a week, to leave a message or question with the above individual. You will receive a reply during normal business hours.

SUPPLEMENTARY INFORMATION: The Oh Be Joyful Campground is a destination campground for people visiting in the Gunnison Basin near Crested Butte, Colorado. The BLM’s overall goal is to maintain the area’s recreational experiences, quality social setting and overnight camping that require substantial Federal investment, while protecting natural resources. The BLM is committed to finding the proper balance between public use and the protection of public lands and resources. The campground qualifies as a site wherein visitors can be charged an expanded amenity fee for overnight use, authorized under Section 803(g)(2)(h) of the Recreation Enhancement Act (REA), 16 U.S.C. 6801 *et seq.* In accordance with the REA and implementing regulations at 43 CFR 2930, visitors would obtain an individual Recreation Use Permit to camp within the Oh Be Joyful Campground. Campers would be required to display a permit stub at each campsite. Permits would expire at the beginning of the subsequent calendar day. The suggested fees for campsites are \$10 per night for sites with picnic tables and campfire containment devices (a limit of eight people and up to two tents); \$5 per night for overflow sites with campfire containment devices (a limit of eight people and up to two tents); and \$30 per night for proposed group campsites (site designed for 9–25 people). A vault toilet is available for all designated campsites and portable toilets are set up for use by the overflow camping areas during the high-use summer months. If potable drinking water is provided, all site fees would increase by \$5 per night. As infrastructure improvements are made at the Oh Be Joyful Campground, overnight fees will be charged accordingly for campsites. Free dispersed camping would no longer be available at the Oh Be Joyful Campground and the surrounding area (approximately 100 acres). The BLM’s goals for the Oh Be Joyful Campground fee program are to provide additional facilities through capital improvements; ensure that funding is available to maintain the campground; manage visitor use and provide a quality recreation experience under existing rules and regulations; provide for law enforcement presence; develop additional services (such as expanding interpretive and educational information); and protect resources. The

BLM will use fees collected to make infrastructure improvements and for expenses directly associated with managing the campground. Fees will be charged accordingly for any new campsites added to the Oh Be Joyful Campground and site amenities added to existing campsites. The BLM posted the Oh Be Joyful Campground Business Plan in October 2015, which outlines operational goals of the area and the purpose of the fee program. The Oh Be Joyful Campground Business Plan describes recreation opportunities and fees for camping. Prepared pursuant to the REA and the BLM recreation fee program policy, the Business Plan establishes the rationale for charging recreation fees, establishes a permit process, and establishes the collection of user fees. In accordance with the BLM recreation fee program policy, the Business Plan also outlines how the fees would be used at the campground area. The Business Plan also provides a market analysis of local recreation sites and sets the basis for the fee proposal. Through onsite notifications and local press releases, the BLM notified and involved the public at each stage of the planning process, including the proposal to collect fees. During a field office briefing in spring 2015, the Southwest Colorado Resource Advisory Council informally discussed and verbally expressed their support of charging a fee at the campground.

The BLM welcomes public comments on this proposal. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

DEPARTMENT OF LABOR

Office of Federal Contract Compliance Programs

Proposed Renewal of the Approval of Information Collection Requirements; Comment Request

ACTION: Notice.

SUMMARY: The Department of Labor (DOL), as part of its continuing effort to reduce paperwork and respondent burden, conducts a pre-clearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995

(PRA), 44 U.S.C. 3506(c)(2)(A). This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. The Office of Federal Contract Compliance Programs is soliciting comments concerning its proposal to renew the Office of Management and Budget (OMB) approval of the following information collections: “38 U.S.C. 4212, Vietnam Era Veterans’ Readjustment Assistance Act, as Amended” (OMB Control No. 1250–0004) and “29 U.S.C. 793, Section 503 of the Rehabilitation Act of 1973, as Amended” (OMB Control No. 1250–0005). The current OMB approval for these information collections expires on January 31, 2017. A copy of the proposed information collection request can be obtained by contacting the office listed below in the **FOR FURTHER INFORMATION CONTACT** section of this Notice or by accessing it at www.regulations.gov.

DATES: Written comments must be submitted to the office listed in the addresses section below on or before October 25, 2016.

ADDRESSES: You may submit comments, identified by Control Number 1250–0004 and/or 1250–0005, by one of the following methods:

Electronic comments: Through the federal eRulemaking Portal at www.regulations.gov. Follow the instructions for submitting comments.

Mail, Hand Delivery, Courier: Address comments to Debra Carr, Director, Division of Policy and Program Development, Office of Federal Contract Compliance Programs, 200 Constitution Avenue NW., Room C3325, Washington, DC 20210.

Instructions: Please submit one copy of your comments by only one method. All submissions received must include the agency name and OMB Control Number identified above for this information collection. Commenters are strongly encouraged to submit their comments electronically via the www.regulations.gov Web site or to mail their comments early to ensure that they are timely received. Comments, including any personal information provided, become a matter of public record and will be posted to the www.regulations.gov Web site. They will also be summarized and/or included in the request for OMB approval of the information collection request.
