SUPPLEMENTARY INFORMATION: The Homeland Security Information Network Advisory Committee (HSINAC) is an advisory body to the Homeland Security Information Network (HSIN) Program Office. This committee provides advice and recommendations to the U.S. Department of Homeland Security (DHS) on matters relating to HSIN. These matters include system requirements, operating policies, community organization, knowledge management, interoperability and federation with other systems, and any other aspect of HSIN that supports the operations of DHS and its Federal, State, territorial, local, tribal, international, and private sector mission partners. Notice of this meeting is given under the Federal Advisory Committee Act, 5 U.S.C. Appendix.

Agenda

The agenda will consist of the following major components.

1. There will be a discussion between the HSIN Program and members of the committee in the following key areas:

a. Welcome new members to the HSINAC through round table introductions and provide an overview of roles and responsibilities.

b. An Introduction to the Information Sharing Environment Office (ISEO)—Provide members with an overview of the office and HSIN's recent alignment with ISEO and the Office of the Chief Information Officer (OCIO).

c. The State of HSIN—Provide members with a strategic update on HSIN's FY15 accomplishments, challenges, and FY16 outlook.

d. Focused Mission Growth—Members will participate in a facilitated feedback session that will help to ensure HSIN's goals, work effort and business processes are in alignment with and driven by stakeholder needs.

2. HSIN PMO will formally task the HSINAC to offer recommendations on the issue of how HSIN achieves growth in its user base and/or mission application, and the business process enhancements the Program must make to advance its requirements management processes and governance for HSIN's users.

3. HSIN PMO will formally task the HSINAC to offer recommendations on the issue of support for procurement activities around advanced security and cybersecurity testing to ensure protection of the system and its growing user base.

4. HSIN PMO will formally task the HSINAC to offer recommendations on the issue of upcoming infrastructure and system support enhancements with the goal of reducing the risk of system downtime due to aging equipment and older support models, as well as, mitigate funding gaps for these enhancements and future development activities.

5. Public comment period.

6. Committee Deliberation & Voting.

7. Closing Remarks.

8. Adjournment of the meeting.

Dated: January 29, 2016.

SUPPLEMENTARY INFORMATION: This notice informs the public that HUD is seeking approval from OMB for the information collection described in Section A.

A. Overview of Information Collection

Title of Information Collection: ConnectHome Use and Benefits Telephone Survey.

OMB Approval Number: Pending.

Type of Request: New.

Form Number: Survey.

Description of the need for the information and proposed use:

President Barack Obama and Secretary Julián Castro announced ConnectHome on July 15, 2015, as the next step in the Obama Administration's efforts to increase access to high-speed Internet access for all Americans. Through public-private partnerships, nonprofits, businesses, and Internet service providers (ISPs) ConnectHome will offer high-speed Internet service, devices, technical training, and digital literacy programs to residents of HUD assisted housing in 28 pilot communities, including the Choctaw Nation of Oklahoma.

As communities begin to implement ConnectHome in 2016 and connect residents to internet within their homes, this telephone survey will illuminate how families are taking advantage of ConnectHome. The telephone survey will explore ConnectHome subscribers' previous broadband access, current and planned use patterns, and current and anticipated benefits of their at-home

high-speed Internet access. The survey will particularly focus on educational Internet use such as completing homework, connecting parents with educators, and applying to college.

Respondents (i.e. affected public): Residents in the 28 communities who have secured at-home Internet access through the ConnectHome program.

Estimated Number of Respondents: 2,800.

Frequency of Response: One time.

Average Hours Per Response: 0.5 hours (30 minutes).

Total Estimated Burden: 1,400 hours.

Respondents' Obligation: Voluntary.

B. Solicitation of Public Comment

This notice is soliciting comments from members of the public and affected parties concerning the collection of information described in Section A on the following:

(1) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
