

and disclose extraordinary events and transactions. An event or transaction is presumed to be an ordinary and usual activity of the reporting entity unless evidence clearly supports its classification as an extraordinary item.

ASU 2015-01 is effective for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2015. Thus, for example, holding companies with a calendar year fiscal year must begin to apply the ASU in their FR Y-9C for March 31, 2016.⁶ After a holding company adopts ASU 2015-01, any event or transaction that would have met the criteria for extraordinary classification before the adoption of the ASU should be reported in Schedule HI, item 5(l), "Other noninterest income," or item 7(d), "Other noninterest expense," as appropriate, unless the event or transaction would otherwise be reportable in another item of Schedule HI.

Consistent with the elimination of the concept of extraordinary items in ASU 2015-01, the Federal Reserve proposed to revise the instructions for Schedule HI, item 11, and remove the term "extraordinary items" and revise the captions for Schedule HI, item 8, "Income (loss) before income taxes and extraordinary items and other adjustments," item 10, "Income (loss) before extraordinary items and other adjustments" and item 11, "Extraordinary items and other adjustment, net of income taxes effective March 31, 2016. After the concept of extraordinary items has been eliminated and such items would no longer be reportable in Schedule HI, item 11, only the results of discontinued operations would be reportable in item 11. Accordingly, effective March 31, 2016, the revised captions for Schedule HI, items 8, 10 and 11 would become "Income (loss) before income taxes and discontinued operations," "Income (loss) before discontinued operations," and "discontinued operations, net of applicable income taxes" respectively. The captions for Schedule HI, memorandum items 2 and 8, and items 8 and 11 on the Predecessor Financial Items and applicable Glossary references would also be revised to eliminate the concept of extraordinary items.

No comments were received on the planned changes related to extraordinary items. Accordingly, effective September 30, 2016, the captions for Schedule HI, items 8, 10,

and 11, would be revised to say "Income (loss) before income taxes and discontinued operations," "Income (loss) before discontinued operations," and "Discontinued operations, net of applicable income taxes," respectively. Similarly, the captions for Schedule HI, memorandum items 2 and 8, and items 8 and 11 on the Predecessor Financial Items and applicable Glossary references would also be revised to eliminate the concept of extraordinary items.

Additional Comments

One commenter requested clarification on why the proposed change to the Call Report regarding trading revenues due to changes in credit and debit valuation adjustments was not proposed on the FR Y-9C report. The Federal Reserve reviewed this information and determined that the proposed changes are not necessary for the FR Y-9C and that the current information is adequate to meet the Federal Reserve's supervisory needs.

ACTION: Notice.

SUMMARY: Under the National Childhood Vaccine Injury Act (NCVIA) (42 U.S.C. 300aa-26), CDC must develop vaccine information materials that all health care providers are required to give to patients/parents prior to administration of specific vaccines. Copies of the final vaccine information materials for serogroup B meningococcal vaccine are available to download from <http://www.cdc.gov/vaccines/hcp/vis/index.html> or <http://www.regulations.gov> (see Docket Number CDC-2015-0059). Final updated vaccine information materials for meningococcal ACWY were published in the **Federal Register** on April 20, 2016 (81 FR 23301).

DATES: Beginning no later than December 1, 2016, each health care provider who administers serogroup B meningococcal vaccine to any child or adult in the United States shall provide copies of the relevant vaccine information materials referenced in this notice, in conformance with the August 9, 2016 CDC Instructions for the Use of Vaccine Information Statements prior to providing such vaccinations.

Development and revision of the vaccine information materials, also known as Vaccine Information Statements (VIS), have been delegated by the Secretary to the Centers for Disease Control and Prevention (CDC). Section 2126 requires that the materials be developed, or revised, after notice to the public, with a 60-day comment period, and in consultation with the Advisory Commission on Childhood Vaccines, appropriate health care provider and parent organizations, and the Food and Drug Administration. The law also requires that the information contained in the materials be based on available data and information, be presented in understandable terms, and include:
