NMFS is also soliciting nominations for Technical Advisors to the Advisory Committee's species working groups.

DATES: Nominations must be received by October 3, 2016.

ADDRESSES: Nominations should be sent via email (Rachel.O'Malley@noaa.gov). Nominations may also be sent via mail to Rachel O'Malley at NMFS, Office of International Affairs, Room 10653, 1315 East-West Highway, Silver Spring, MD 20910.

FOR FURTHER INFORMATION CONTACT: Rachel O'Malley, Office of International Affairs, 301–427–8373.

SUPPLEMENTARY INFORMATION: Section 971b of ATCA (16 U.S.C. 971 *et seq.*) requires that an advisory committee be established that shall be comprised of: (1) Not less than five nor more than 20 individuals appointed by the U.S. Commissioners to ICCAT who shall select such individuals from the various groups concerned with the fisheries covered by the ICCAT Convention; and (2) the chairs (or their designees) of the New England, Mid-Atlantic, South Atlantic, Caribbean, and Gulf Fisheries Management Councils. Each member of the Advisory Committee appointed under paragraph (1) shall serve for a term of 2 years and be eligible for reappointment. All members of the Advisory Committee are appointed in their individual professional capacity and undergo a background screening. Any individual appointed to the Committee who is unable to attend all or part of an Advisory Committee meeting may not appoint another person to attend such meetings as his or her proxy. Members of the Advisory Committee shall receive no compensation for their services. The Secretary of Commerce and the Secretary of State may pay the necessary travel expenses of members of the Advisory Committee. The terms of all currently appointed Advisory Committee members expire on December 31, 2016.

Section 971b(1) of ATCA specifies that the U.S. Commissioners may establish species working groups for the purpose of providing advice and recommendations to the U.S. Commissioners and to the Advisory Committee on matters relating to the conservation and management of any

Technical Advisors to the species working groups serve at the request of the Commissioners; therefore the Commissioners can choose to alter these appointments at any time. As with Committee Members, Technical Advisors may not be represented by a proxy during any official meetings of the Advisory Committee.

Nominations to the Advisory Committee or to a species working group should include a letter of interest and a resume or curriculum vitae. Self-nominations are acceptable. ACTION: Notice of open meeting.

SUMMARY: Notice is hereby given of a meeting of the Sanctuary System Business Advisory Council (council). The meeting is open to the public, and participants may provide comments at the appropriate time during the meeting.

DATES: The meeting will be held Tuesday, September 27, 2016, from 9:00 a.m. to 4:30 p.m. ET, and an opportunity for public comment will be provided at 3:45 p.m. ET. Both these times and the agenda topics described below are subject to change.

ADDRESSES: The meeting will be held in The National Press Club's Bloomberg Room located on the 13th Floor of The National Press Building at 529 14th Street NW., Washington, DC 20045.

FOR FURTHER INFORMATION CONTACT: Rebecca Holyoke, Office of National Marine Sanctuaries, 1305 East-West Highway, Silver Spring, Maryland 20910 (Phone: 240-533-0685; Fax: 301-713-0404; Email: Rebecca.Holyoke@noaa.gov).

SUPPLEMENTARY INFORMATION: ONMS serves as the trustee for a network of underwater parks encompassing more than 170,000 square miles of marine and Great Lakes waters from Washington state to the Florida Keys, and from Lake Huron to American Samoa. The network includes a system of 13 national marine sanctuaries and Papahānaumokuākea and Rose Atoll marine national monuments. National marine sanctuaries protect our Nation's most vital coastal and marine natural and cultural resources, and through active research, management, and public engagement, sustain healthy environments that are the foundation for thriving communities and stable economies. One of the many ways ONMS ensures public participation in the designation and management of national marine sanctuaries is through the formation of advisory councils. The Sanctuary System Business Advisory Council (council) has been formed to provide advice and recommendations to the Director regarding the relationship of ONMS with the business community. Additional information on the council can be found at <http://sanctuaries.noaa.gov/management/ac/welcome.html>.

Matters to be Considered: The meeting will provide an opportunity for council members to hear news from across the National Marine Sanctuary System, including updates on the potential designation of two new national marine sanctuaries; two proposed sanctuary expansions; and the differences between a national marine sanctuary and a marine national monument. Council members will also be able to review and comment on ongoing efforts to develop a sanctuary system business plan and enhance the online presence of ONMS's social media campaign, *Earth is Blue*. Lastly, council members will learn about NOAA's plans

to maintain progress on its resilient communities, place-based conservation, and "blue economies" priorities during the transition to a new presidential administration in 2017. The agenda, available at <http://sanctuaries.noaa.gov/management/bac/meetings.html>, is subject to change.
