#### SUPPLEMENTARY INFORMATION:

##### Background

As required by Section 1121 of the Fixing America's Surface Transportation (FAST) Act, the Secretary shall, pursuant to a negotiated rulemaking process, develop a Notice of Proposed Rulemaking (NPRM) that contains the regulations required to carry the TTSGP. Section 1121 also requires that in establishing this committee, the Secretary will (1) apply the procedures of negotiated rulemaking under subchapter III of chapter 5 of title 5 (the Negotiated Rulemaking Act) in a manner that reflects the unique government-to-government relationship between the Indian tribes and the United States and (2) select the tribal representatives for the committee from among elected officials of tribal governments (or their designated employees with authority to act on their behalf), acting in their official capacities.

On July 27, 2016, at 81 FR 49193, FHWA published its list of the TTSGP Negotiated Rulemaking Committee. Since multiple submissions were not received from Tribes within the Bureau of Indian Affairs' Midwest or Rocky Mountain Regions, an alternate for those regions were not originally named. Since that time through the work of the primary committee members and others, additional submittals have been submitted. As a result of this effort, the following have been named as Alternate Tribal Representatives:

- **MIDWEST REGION**—Dean Branchaud, Executive Director of Tribal Engineering, Red Lake Band of Chippewa Indians, Red Lake, MN.
- **ROCKY MOUNTAIN REGION**—Connie Thompson, Transportation Planner, Fort Peck Assiniboine & Sioux Tribes, Poplar, MT.

Additional representatives or changes in the status of existing representatives may be forthcoming in future **Federal Register** Notices.

**SUPPLEMENTARY INFORMATION:** The Department of Justice (Department) published a Notice of Proposed Rulemaking (NPRM) in the **Federal Register** on August 15, 2016, proposing to revise its regulations implementing section 274B of the Immigration and Nationality Act (INA), concerning unfair immigration-related employment practices. 81 FR 53965 (August 15, 2016). The NPRM proposed to conform the Department’s regulations to the statutory text as amended, simplify and add definitions of statutory terms, update and clarify the procedures for filing and processing charges of discrimination, ensure effective investigations of unfair immigration-related employment practices, reflect developments in nondiscrimination jurisprudence, reflect changes in existing practices (e.g., electronic filing of charges), reflect the new name of the office within the Department charged with enforcing this statute, and replace outdated references. The Department received several comments requesting that the 30-day public comment period be extended, including a request to extend the comment period by an additional 60 days. The requests indicated that more time was needed to provide meaningful, comprehensive responses to the NPRM.

Rather than granting the requested 60-day extension, the Department has decided to grant a 30-day extension of the comment period. Accordingly, the comment period will now close on
