

DEPARTMENT OF STATE**[Public Notice: 9728]****Bureau of Political-Military Affairs,
Directorate of Defense Trade Controls:
Notifications to the Congress of
Proposed Commercial Export Licenses****AGENCY:** Department of State.**ACTION:** Notice.

SUMMARY: Notice is hereby given that the Department of State has forwarded the attached Notifications of Proposed Export Licenses to the Congress on the dates indicated on the attachments pursuant to sections 36(c) and 36(d), and in compliance with section 36(f), of the Arms Export Control Act.

DATES: *Effective Date:* As shown on each of the 36 letters.

FOR FURTHER INFORMATION CONTACT: Ms. Lisa V. Aguirre, Directorate of Defense Trade Controls, Department of State, telephone (202) 663-2830; email DDTCResponseTeam@state.gov. ATTN: Congressional Notification of Licenses.

SUPPLEMENTARY INFORMATION: Section 36(f) of the Arms Export Control Act (22 U.S.C. 2776) mandates that notifications to the Congress pursuant to sections 36(c) and 36(d) must be published in the **Federal Register** when they are transmitted to Congress or in a timely manner.

Following are such notifications to the Congress:

June 23, 2016

Honorable Paul D. Ryan, Speaker of the House of Representatives.

Dear Mr. Speaker: Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting certification of a proposed license for the export of firearms, parts and components abroad controlled under Category I of the United States Munitions List in the amount of \$1,000,000 or more.

The transaction contained in the attached certification involves the export of M400 carbines, 5.56 NATO, fully automatic, and accessories and technical data to Oman.

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,
Julia Frifield,

Assistant Secretary Legislative Affairs.

Enclosure: Transmittal No. DDTC 15-137.

June 17, 2016

Honorable Paul Ryan, Speaker of the House of Representatives.

Dear Mr. Speaker: Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting certification of a proposed license for the export of firearm parts and components abroad controlled under Category I of the United States Munitions List in amount of \$1,000,000 or more.

The transaction contained in the attached certification involves the export of the M2A2 and M60E4 machine guns with components, barrels, spare parts and accessories to the Ministry of Defense of Tunisia.

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,
Julia Frifield,

Assistant Secretary Legislative Affairs.

Enclosure: Transmittal No. DDTC 15-139.

June 23, 2016

Honorable Paul D. Ryan, Speaker of the House of Representatives.

Dear Mr. Speaker: Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting certification of a proposed license for the export of firearms, parts, and components abroad controlled under Category I of the United States Munitions List in the amount of \$1,000,000 or more.

The transaction contained in the attached certification involves the export of M240/Mag58 machine guns, primary and spare barrel, and spare parts for the Kingdom of Saudi Arabia.

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,
Julia Frifield,

Assistant Secretary Legislative Affairs.

Enclosure: Transmittal No. DDTC 15-141.

April 20, 2016

Honorable Paul D. Ryan, Speaker of the House of Representatives.

Dear Mr. Speaker: Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting certification of a proposed license for the export of firearms, parts, and components abroad controlled under Category I of the United States Munitions List in the amount of \$1,000,000 or more.

The transaction contained in the attached certification involves the export of M240/Mag58 machine guns, primary and spare barrel, and accessories to the Government of Oman.

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,
Julia Frifield,

Assistant Secretary Legislative Affairs.

Enclosure: Transmittal No. DDTC 15-143.

June 14, 2016

Honorable Paul D. Ryan, Speaker of the House of Representatives.

Dear Mr. Speaker: Pursuant to Section 36(d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles, including technical data, and defense services for the manufacture of significant military equipment abroad.

The transaction contained in the attached certification involves the export of defense articles, including technical data, and defense services to the Republic of Korea and the United Kingdom to support the design, development, manufacture, testing, and installation of the controllable pitch propeller and shafting system for the Republic of Korea Navy.

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,
Julia Frifield,

Assistant Secretary Legislative Affairs.

Enclosure: Transmittal No. DDTC 15-144.

April 20, 2016

Honorable Paul D. Ryan, Speaker of the House of Representatives.

Dear Mr. Speaker: Pursuant to Section 36(c) and (d) of the Arms Export Control Act, I am transmitting certification of a proposed license for the manufacture of significant military equipment abroad and the export of defense articles, including technical data, and defense services in the amount of \$1,000,000 or more.

The transaction contained in the attached certification involves the export of defense articles, including technical data, and defense services to Germany to support the manufacture and assembly of semi-auto and full-auto pistols, rifles and carbines.

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,
Julia Frifield,

Assistant Secretary Legislative Affairs.

Enclosure: Transmittal No. DDTC 15-145.

June 22, 2016

Honorable Paul D. Ryan, Speaker of the House of Representatives.

Dear Mr. Speaker: Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting certification of a license for the export of defense articles, including technical data, and defense services in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export of defense articles, including technical data, and defense services to Egypt for the sale, modification, test, certification, maintenance, operation, training and post-delivery support of (12) AT-802U Border Patrol Aircraft configured with surveillance and weapons capability.

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,
Julia Frifield,

Assistant Secretary Legislative Affairs.

Enclosure: Transmittal No. DDTC 15-072.

June 16, 2016

Honorable Paul D. Ryan, Speaker of the House of Representatives.

Dear Mr. Speaker: Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting certification of a proposed license for the export of firearms, parts and components abroad controlled under Category I of the United States Munitions List in amount of \$1,000,000 or more.

The transaction contained in the attached certification involves the export of various revolvers, semi-auto pistols, and bolt action rifles to Canada for commercial resale.

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information

submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,
Julia Frifield,

Assistant Secretary Legislative Affairs.

Enclosure: Transmittal No. DDTC 15-097.

April 1, 2016

Honorable Paul D. Ryan, Speaker of the House of Representatives.

Dear Mr. Speaker: Pursuant to Section 36(d) of the Arms Export Control Act, I am transmitting certification of a proposed license for the export of defense articles, including technical data, and defense services for the manufacture of significant military equipment abroad.

The transaction contained in the attached certification involves the export of defense articles, including technical data, and defense services, manufacturing know-how, and manufacturing assistance to manufacture, assemble, inspect, and deliver F135 engine parts and components in Turkey.

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,
Julia Frifield,

Assistant Secretary Legislative Affairs.

Enclosure: Transmittal No. DDTC 15-099.

April 28, 2016

Honorable Paul D. Ryan, Speaker of the House of Representatives.

Dear Mr. Speaker: Pursuant to Section 36(c) and (d) of the Arms Export Control Act, I am transmitting certification of a proposed license for the manufacture of significant military equipment abroad and the export of defense articles, including technical data, and defense services in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export of defense articles, including technical data, and defense services to Algeria to support the manufacture, procurement, testing, integration, operation, and maintenance of the Enhanced Position Location Reporting System (EPLRS) Extended Frequency-International (EPLRS-XF-I) and MicroLight-DH500 radio systems and associated ancillary equipment.

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information

submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,
Julia Frifield,

Assistant Secretary Legislative Affairs.

Enclosure: Transmittal No. DDTC 15-105.

May 18, 2016

Honorable Paul D. Ryan, Speaker of the House of Representatives.

Dear Mr. Speaker: Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting certification of a proposed license for the export of defense articles, including technical data, and defense services in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export of defense articles, including technical data, and defense services to Indonesia for the enhanced avionics and structural mid-life upgrade of F-16 Block 15 aircraft, including components, parts, accessories and support equipment.

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,
Julia Frifield,

Assistant Secretary Legislative Affairs.

Enclosure: Transmittal No. DDTC 15-121.

June 17, 2016

May 16, 2016

Honorable Paul D. Ryan, Speaker of the House of Representatives.

Dear Mr. Speaker: Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting certification of a proposed license amendment for the export of defense articles, including technical data, and defense services in the amount of \$25,000,000 or more.

The transaction contained in the attached certification involves the export of defense articles, including technical data, and defense services to Denmark to support the integration, installation, operation, training, testing, maintenance, and repair of the Small Diameter Bomb and Laser Small Diameter Bomb onto the F-16 aircraft.

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Julia Frifield,

Assistant Secretary Legislative Affairs.

Enclosure: Transmittal No. DDTC 16–024.

June 17, 2016

Honorable Paul D. Ryan, Speaker of the House of Representatives.

Dear Mr. Speaker: Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting certification of a proposed license for the export of defense articles, including technical data, and defense services in the amount of \$100,000,000 or more.

The transaction contained in the attached certification involves the export of defense articles, including technical data, and defense services to Italy, Japan and Norway to support the manufacture of vertical tail control surfaces for the F–35 Lightning II Program.

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,
Julia Frifield,

Assistant Secretary Legislative Affairs.

Enclosure: Transmittal No. DDTC 16–033.

June 17, 2016

Honorable Paul D. Ryan, Speaker of the House of Representatives.

Dear Mr. Speaker: Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting certification of a proposed license for the export of firearm parts and components abroad controlled under Category I of the United States Munitions List in the amount of \$1,000,000 or more.

The transaction contained in the attached certification involves the export of various barrel blanks for bolt action rifles, various rifle barrels, receivers, and stocks; and accessories to Italy for commercial resale.

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,
Julia Frifield,

Assistant Secretary Legislative Affairs.

Enclosure: Transmittal No. DDTC 16–035.

June 23, 2016

Honorable Paul D. Ryan, Speaker of the House of Representatives.

Dear Mr. Speaker: Pursuant to Section 36(c) of the Arms Export Control Act, I am

transmitting certification of a proposed license for the export of firearms, parts, and components abroad controlled under Category I of the United States Munitions List in the amount of \$1,000,000 or more.

The transaction contained in the attached certification involves the export of AR15 semi-automatic rifles and accessories to Canada for commercial resale.

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,
Julia Frifield,

Assistant Secretary Legislative Affairs.

Enclosure: Transmittal No. DDTC 16–040.

June 23, 2016

Honorable Paul D. Ryan, Speaker of the House of Representatives.

Dear Mr. Speaker: Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting certification of a proposed license for the export of firearms, parts, and components abroad controlled under Category I of the United States Munitions List in the amount of \$1,000,000 or more.

The transaction contained in the attached certification involves the export of M60E6 7.62mm general purpose machine guns, bolt breech assemblies and barrel blanks to Denmark.

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.
