DEPARTMENT OF THE INTERIOR

Bureau of Land Management

[LLNM950000 L13400000.BX0000
16XL1109AF]

Notice of Filing of Plats of Survey, New Mexico

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of filing of plats of survey.

SUMMARY: The plats of survey described below are scheduled to be officially filed in the New Mexico State Office, Bureau of Land Management, Santa Fe, New Mexico, thirty (30) calendar days from the date of this publication.

FOR FURTHER INFORMATION CONTACT: These plats will be available for inspection in the New Mexico State Office, Bureau of Land Management, 301 Dinosaur Trail, Santa Fe, New Mexico. Copies may be obtained from this office upon payment. Contact Carlos Martinez at 505-954-2096, or by email at cjmarti@blm.gov, for assistance. Persons who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1-800-877-8339 to contact the above individual during normal business hours.

SUPPLEMENTARY INFORMATION:

New Mexico Principal Meridian, New Mexico (NM)

The Supplemental plat, representing the dependent resurvey in Township 9 South, Range 30 East, of the New

Mexico Principal Meridian, accepted June 28, 2016 for Group, 1178, NM.

The plat, representing the dependent resurvey in Township 19 North, Range 11 West, of the New Mexico Principal Meridian, accepted July 20, 2016 for Group, 909, NM. The plat, representing the dependent resurvey in Fractional Township 27 North, Range 21 West, of the New Mexico Principal Meridian, accepted September 21, 2016 for Group, 1172, NM.

The plat representing the dependent resurvey in Township 14 North, Range 17 West, of the New Mexico Principal Meridian, accepted September 21, 2016 for Group, 1175, NM. The plat representing the dependent resurvey in Township 11 North, Range 10 West, of the New Mexico Principal Meridian, accepted September 21, 2016 for Group, 1176, NM. The plat representing the dependent resurvey in Township 11 North, Range 6 East, of the New Mexico Principal Meridian, accepted September 21, 2016 for Group, 1166, NM. These plats are scheduled for official filing 30 days from the notice of publication in the **Federal Register**, as provided for in the BLM Manual Section 2097—Opening Orders. Notice from this office will be provided as to the date of said publication. If a protest against a survey, in accordance with 43 CFR 4.450-2, of the above plats is received prior to the date of official filing, the filing will be stayed pending consideration of the protest.

A plat will not be officially filed until the day after all protests have been dismissed and become final or appeals from the dismissal affirmed.

A person or party who wishes to protest against any of these surveys must file a written protest with the Bureau of Land Management New Mexico State Director stating that they wish to protest.

A statement of reasons for a protest may be filed with the Notice of Protest to the State Director or the statement of reasons must be filed with the State Director within thirty (30) days after the protest is filed.

Charles I. Doman,
Branch Chief, Cadastral Survey.

INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 701-TA-545-547 and 731-TA-1291-1297 (Final)]

Certain Hot-Rolled Steel Flat Products From Australia, Brazil, Japan, Korea, the Netherlands, Turkey, and the United Kingdom

Determinations

On the basis of the record¹ developed in the subject investigations, the United States International Trade Commission (“Commission”) determines, pursuant to the Tariff Act of 1930 (“the Act”), that an industry in the United States is materially injured by reason of imports of certain hot-rolled steel flat products (“hot-rolled steel”) from Australia, Brazil, Japan, Korea, the Netherlands, Turkey, and the United Kingdom, provided for in subheadings 7208.10.15, 7208.10.30, 7208.10.60, 7208.25.30, 7208.25.60, 7208.26.00, 7208.27.00, 7208.36.00, 7208.37.00, 7208.38.00, 7208.39.00, 7208.40.60, 7208.53.00, 7208.54.00, 7208.90.00, 7210.70.30, 7210.90.90, 7211.14.00, 7211.19.15, 7211.19.20, 7211.19.30, 7211.19.45, 7211.19.60, 7211.19.75, 7211.90.00, 7212.40.10, 7212.40.50, 7212.50.00, 7214.91.00, 7214.99.00, 7215.90.50, 7225.11.00, 7225.19.00, 7225.30.30, 7225.30.70, 7225.40.70, 7225.99.00, 7226.11.10, 7226.11.90, 7226.19.10, 7226.19.90, 7226.91.50, 7226.91.70, 7226.91.80, 7226.99.01, and 7228.60.60 of the Harmonized Tariff Schedule of the United States, that have been found by the Department of Commerce (“Commerce”) to be sold in the United States at less than fair value (“LTFV”), and that have been found by Commerce to be subsidized by the governments of Brazil and Korea.² The Commission further finds that imports of hot-rolled steel that have been found by Commerce to be subsidized by the government of Turkey are negligible. The Commission also finds that imports subject to

¹ The record is defined in sec. 207.2(f) of the Commission’s Rules of Practice and Procedure (19 CFR 207.2(f)).

² Chairman Irving A. Williamson, Vice Chairman David S. Johanson, and Commissioners Dean A. Pinkert, Meredith M. Broadbent, and Rhonda K. Schmittlein voted in the affirmative with respect to imports from Australia, Brazil, Japan, Korea, the Netherlands, and the United Kingdom and with respect to imports sold at less than fair value from Turkey. Commissioner F. Scott Kieff voted in the affirmative with respect to imports from Brazil, Japan, Korea, the Netherlands, and the United Kingdom and with respect to imports sold at less than fair value from Turkey; he voted in the negative with respect to imports from Australia. All six Commissioners found that imports of these products from Turkey that Commerce has determined are subsidized by the government of Turkey are negligible.

Commerce's affirmative critical circumstances determinations are not likely to undermine seriously the remedial effect of the countervailing and antidumping duty orders on hot-rolled steel from Brazil and the antidumping duty order on imports from Japan.

Background

The Commission, pursuant to sections 705(b) and 735(b) of the Act (19 U.S.C. 1671d(b) and 19 U.S.C. 1673d(b)), instituted these investigations effective August 11, 2015, following receipt of a petition filed with the Commission and Commerce by AK Steel Corporation (West Chester, Ohio), ArcelorMittal USA, LLC (Chicago, Illinois), Nucor Corporation (Charlotte, North Carolina), SSAB Enterprises, LLC (Lisle, Illinois), Steel Dynamics, Inc. (Fort Wayne, Indiana), and United States Steel Corporation (Pittsburgh, Pennsylvania). The final phase of the investigations was scheduled by the Commission following notification of preliminary determinations by Commerce that imports of hot-rolled steel from Brazil³ were subsidized within the meaning of section 703(b) of the Act (19 U.S.C. 1671b(b)) and that imports from Australia, Brazil, Japan, Korea, the Netherlands, Turkey, and the United Kingdom were dumped within the meaning of 733(b) of the Act (19 U.S.C. 1673b(b)). Notice of the scheduling of the final phase of the Commission's investigations and of a public hearing to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** on April 15, 2016 (81 FR 22310). The hearing was held in Washington, DC, on August 4, 2016, and all persons who requested the opportunity were permitted to appear in person or by counsel.

The Commission made these determinations pursuant to sections 705(b) and 735(b) of the Act (19 U.S.C. 1671d(b) and 19 U.S.C. 1673d(b)). It completed and filed its determinations in these investigations on September 26, 2016. The views of the Commission are contained in USITC Publication 4638 (September 2016), entitled *Hot-Rolled Steel Flat Products from Australia, Brazil, Japan, Korea, the Netherlands, Turkey, and the United Kingdom*

³ The Commission also scheduled final-phase countervailing duty investigations concerning hot-rolled steel from Korea and Turkey, although Commerce preliminarily determined that *de minimis* countervailable subsidies were being provided to hot-rolled steel producers and exporters from Korea and Turkey.

(Investigation Nos. 701-TA-545-547 and 731-TA-1291-1297 (Final)).

By order of the Commission.

Issued: September 26, 2016.

Katherine Hiner,

Acting Supervisory Attorney.

BILLING CODE 7020-02-P

INTERNATIONAL TRADE COMMISSION

[Investigation No. 337-TA-965]

Certain Table Saws Incorporating Active Injury Mitigation Technology and Components Thereof; Notice of Request for Statements on the Public Interest

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the presiding administrative law judge ("ALJ") has issued a recommended determination on remedy and bonding in the above-captioned investigation. The Commission is soliciting comments on public interest issues raised by the recommended relief, specifically limited exclusion orders and cease and desist orders, against certain table saws incorporating active injury mitigation and components thereof, imported by respondents Robert Bosch Tool Corporation of Mount Prospect, Illinois, and Robert Bosch GmbH of Baden-Wuerttemberg, Germany. Parties are to file public interest submissions pursuant to Commission regulations.

FOR FURTHER INFORMATION CONTACT: Robert Needham, Office of the General Counsel, U.S. International Trade Commission, 500 E Street SW., Washington, DC 20436, telephone (202) 708-5468. The public version of the complaint can be accessed on the Commission's electronic docket (EDIS) at <https://edis.usitc.gov>, and will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street SW., Washington, DC 20436, telephone (202) 205-2000.

General information concerning the Commission may also be obtained by accessing its Internet server (<https://www.usitc.gov>). The public record for this investigation may be viewed on the Commission's electronic docket (EDIS) at <https://edis.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the

Commission's TDD terminal on (202) 205-1810.

SUPPLEMENTARY INFORMATION: Section 337 of the Tariff Act of 1930 provides that if the Commission finds a violation it shall exclude the articles concerned from the United States:

unless, after considering the effect of such exclusion upon the public health and welfare, competitive conditions in the United States economy, the production of like or directly competitive articles in the United States, and United States consumers, it finds that such articles should not be excluded from entry.

19 U.S.C. 1337(d)(1). A similar provision applies to cease-and-desist orders. 19 U.S.C. 1337(f)(1).

The Commission is interested in further development of the record on the public interest in these investigations. Accordingly, members of the public are invited to file, pursuant to 19 CFR 210.50(a)(4), submissions of no more than five (5) pages, inclusive of attachments, concerning the public interest in light of the administrative law judge's recommended determination on remedy and bonding issued in this investigation on September 20, 2016. Comments should address whether issuance of limited exclusion orders and cease and desist orders in this investigation would affect the public health and welfare in the United States, competitive conditions in the United States economy, the production of like or directly competitive articles in the United States, or United States consumers.

In particular, the Commission is interested in comments that:

- (i) explain how the articles potentially subject to the recommended limited exclusion orders and cease and desist orders are used in the United States;
- (ii) identify any public health, safety, or welfare concerns in the United States relating to the recommended limited exclusion orders and cease and desist orders;
- (iii) identify like or directly competitive articles that complainant, its licensees, or third parties make in the United States which could replace the subject articles if they were to be excluded;
- (iv) indicate whether complainant, complainant's licensees, and/or third party suppliers have the capacity to replace the volume of articles potentially subject to the recommended limited exclusion orders and cease and desist orders within a commercially reasonable time; and
- (v) explain how the recommended limited exclusion orders and cease and desist orders would impact consumers in the United States.

Written submissions must be filed no later than by close of business on October 18, 2016.

Persons filing written submissions must file the original document
