SUPPLEMENTARY INFORMATION:

OMB Number: 3133-0176.

Title: Member Inspection of Credit Union Books, Records, and Minutes.

Abstract 12 CFR 701.3 establishes the circumstances and conditions under

which Federal credit union (FCU) members may inspect and copy the FCU's books, records, and minutes of meetings. The collection of information requirements apply to FCU members seeking inspection and copying of the FCU's records and FCUs that receive such member requests. To obtain access to records, members are required to submit a petition to the FCU, stating a proper purpose for inspection and signed by at least one percent of the members, with a minimum of 20 and a maximum of 500 members. The FCU must permit inspection of relevant records if it receives such a petition.

Because most of the information exchanged under this regulation is between credit unions and their members, NCUA is not made aware of the requests covered under this regulation unless there is a dispute. We assume that instances of formal petitions being filed to request inspection of records is a fairly rare event. For purposes of estimating burden, we assume no more than five such petitions are filed each year.

Type of Review: Extension of a previously approved collection.

Affected Public: Individuals and Households and Private Sector: Not-for-profit institutions.

Estimated Number of Respondents/Recordkeepers: 10.

Estimated Annual Frequency: 5.

Estimated Annual Number of Responses: 12.

Estimated Total Annual Burden Hours: 380.

This is an extension without changes of a previously approved collection. The adjustments in burden estimates are attributable to the inclusion of FCU members as respondents and the inclusion of costs associated with potential dispute resolution.

Request for Comments: Comments submitted in response to this notice will be summarized and included in the request for Office of Management and Budget approval. All comments will become a matter of public record. The public is invited to submit comments concerning: (a) Whether the collection of information is necessary for the proper performance of the function of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information, including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of the information on the respondents, including the use of automated

collection techniques or other forms of information technology.

NUCLEAR REGULATORY COMMISSION

Advisory Committee on Reactor Safeguards; Procedures for Meetings

Background

This notice describes procedures to be followed with respect to meetings conducted by the U.S. Nuclear Regulatory Commission's (NRC's) Advisory Committee on Reactor Safeguards (ACRS) pursuant to the Federal Advisory Committee Act (FACA). These procedures are set forth so that they may be incorporated by reference in future notices for individual meetings.

The ACRS is a statutory advisory committee established by Congress to review and report on nuclear safety matters and applications for the licensing of nuclear facilities. The Committee's reports become a part of the public record.

The ACRS meetings are conducted in accordance with FACA; they are normally open to the public and provide opportunities for oral or written statements from members of the public to be considered as part of the Committee's information gathering

process. ACRS reviews do not normally encompass matters pertaining to environmental impacts other than those related to radiological safety.

The ACRS meetings are not adjudicatory hearings such as those conducted by the NRC's Atomic Safety and Licensing Board Panel as part of the Commission's licensing process.

General Rules Regarding ACRS Full Committee Meetings

An agenda will be published in the **Federal Register** for each full Committee meeting. There may be a need to make changes to the agenda to facilitate the conduct of the meeting. The Chairman of the Committee is empowered to conduct the meeting in a manner that, in his/her judgment will facilitate the orderly conduct of business, including making provisions to continue the discussion of matters not completed on the scheduled day on another day of the same meeting. Persons planning to attend the meeting may contact the Designated Federal Officer (DFO) specified in the **Federal Register** notice prior to the meeting to be advised of any changes to the agenda that may have occurred.

The following requirements shall apply to public participation in ACRS Full Committee meetings:

(a) Persons who plan to submit written comments at the meeting should provide 35 copies to the DFO at the beginning of the meeting. Persons who cannot attend the meeting, but wish to submit written comments regarding the agenda items may do so by sending a readily reproducible copy addressed to the DFO specified in the **Federal Register** notice, care of the Advisory Committee on Reactor Safeguards, U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001. Comments should be limited to items being considered by the Committee. Comments should be in the possession of the DFO five days prior to the meeting to allow time for reproduction and distribution.

(b) Persons desiring to make oral statements at the meeting should make a request to do so to the DFO; if possible, the request should be made five days before the meeting, identifying the topic(s) on which oral statements will be made and the amount of time needed for presentation so that orderly arrangements can be made. The Committee will hear oral statements on topics being reviewed at an appropriate time during the meeting as scheduled by the Chairman.

(c) Information regarding topics to be discussed, changes to the agenda, whether the meeting has been canceled
