FR 4011

Regulation Y specifies the information to be collected in connection with each type of request.⁴ A request for a determination that an activity is financial in nature or incidental to a financial activity must be in writing and:

- Identify, define, and describe the activity and explain how the activity would be conducted,
- explain why the activity should be considered financial in nature or incidental to a financial activity; and
- include information supporting the request and any other information required by the Board.

A request for an advisory opinion that a specific activity is within the scope of activities previously determined to be financial in nature, or incidental to a financial activity, must be in writing and:

- Identify and describe the proposed activity or the proposed product or service,

- offer support for the desired interpretation, and

- include any other information requested by the Board.

An applicant seeking prior approval to engage in an activity that the applicant believes is complementary to a financial activity must submit a written request that:

- Identifies, defines, and describes the activity and explains how the activity would be conducted;

- identifies the financial activity to which the proposed activity would be complementary and provides information sufficient to support a finding that the proposed activity is complementary to the financial activity;

- describes the scope and relative size of the proposed activity, measured by the percentage of the FHC's projected revenues expected to be derived from, and assets associated with, the activity;

- discusses the risks the activity may reasonably be expected to pose to the safety and soundness of the FHC's depository institutions and to the financial system generally;

- describes the potential adverse effects, including potential conflicts of interest, decreased or unfair competition, or other risks, that the activity could cause, and the measures the FHC proposes to take to address those potential effects;

- describes the potential benefits to the public, such as greater convenience, increased competition, or gains in efficiency, the proposal may be reasonably expected to produce; and

- provides information about the FHC's financial and managerial resources and any other information requested by the Board.

FR 4012

Regulation Y provides that the notice must identify the noncompliant banking entity and the area of noncompliance. Regulation Y does not prescribe a format for such notices, however, they typically take the form of a letter.⁵ Plans submitted to remediate capital and management deficiencies typically include the following:

- An explanation of the specific actions the FHC will take to correct all areas of noncompliance

- a schedule within which each action will be taken

- any other information the Board may require

FR 4017

Regulation H requires FR 4017 notices to be in the form of a letter with enclosures and to:⁶

- describe the insurance activities, if the financial subsidiary will engage in insurance activities, to be conducted and identify each state in which the company holds an insurance license and the state insurance authority that issued the license.

FR 4019

Regulation Y requires requests for extension of the holding period for a merchant bank investment to include the following information:⁷

- The reasons for the request, including information addressing the factors the Board must consider in acting on such a request (including the costs and risks to the FHC of disposing of the investment, market conditions, the extent and history of the FHC's involvement in managing or operating the portfolio company, and the FHC's average holding period for its merchant banking investments)

- an explanation of the FHC's plan for divesting the investment

A notice of extended routine management or operation of a portfolio company can be in the form of a brief letter and must identify the portfolio company, the date on which the FHC first became involved in the routine management or operation of the portfolio company, the reasons for the FHC's involvement, the actions taken by the FHC to address the circumstances

⁴ 12 CFR 225.88(b) and (e), and 225.89.

⁵ 12 CFR 225.83(b)(1), 225.93(b)(1) and 238.66(b).

giving rise to its involvement, and an estimate of when the FHC anticipates ceasing routinely managing or operating the portfolio company.

FR 4023

The general policies and procedures that an FHC must establish with respect to merchant banking must be reasonably designed to:⁸

- FR 4012 is authorized by section 4(l)(1) and 4(m) of the BHC Act (12 U.S.C. 1843(l)(1), (m)); section 10(c)(2)(H) of the Home Owners' Loan Act (12 U.S.C. 1467a(c)(2)(H)); section 8(a) of the International Banking Act (12 U.S.C. 3106(a)); sections 225.83 and 225.93 of the Board's Regulation Y (12 CFR 225.83, 225.93); and section 238.66(b) of the Board's Regulation LL (12 CFR 238.66(b)).
- FR 4017 is authorized by section 9 of the FRA (12 U.S.C. 335), and section 208.76 of the Board's Regulation H (12 CFR 208.76).
- FR 4019 is authorized by section 4(k)(7) of the BHC Act (12 U.S.C. 1843(k)(7)); sections 225.171(e)(3), 225.172(b)(4); and section 225.173(c)(2) of the Board's Regulation Y (12 CFR 225.171(e)(3), 225.172(b)(4), 225.173(c)(2)).

- FR 4023 is authorized by section 4(k)(7) of the BHC Act (12 U.S.C. 1843(k)(7)), and sections 225.171(e)(4) and 225.175 of the Board's Regulation Y (12 CFR 225.171(e)(4), 225.175).

The obligation to respond to the FR 4011 is voluntary (for requests to determine that an activity is financial in nature or to issue an advisory opinion that an activity is within the scope of an activity previously determined to be financial in nature) and required to obtain or retain benefits (for approvals to engage in an activity that is complementary to a financial activity). The obligation to respond to the FR 4010, FR 4017, and FR 4019 is required to obtain or retain benefits. The obligation to respond to FR 4012 and the obligation to comply with the recordkeeping requirements of the FR 4023 is mandatory.

Nevertheless, a respondent may request confidential treatment of information contained in these information collections in accordance with section (b)(4) or (b)(6) of the Freedom of Information Act (FOIA) (5 U.S.C. 552(b)(4), (b)(6)). Any request for confidential treatment of information must be accompanied by a detailed justification for confidentiality. Information related to a failure to meet management requirements on the FR 4012 is considered confidential and exempt from disclosure under section (b)(4), because the release of this information would cause substantial harm to the competitive position of the entity, and section (b)(8), if the information is related to examination, operating, or condition reports prepared by, on behalf of, or for the use of an agency responsible for the regulation or supervision of financial institutions (5 U.S.C. 552(b)(4), (b)(8)).

Additionally, the records kept in accordance with the Recordkeeping Requirements Associated with Merchant Banking Activities are retained by the respondent itself and the FOIA would only be implicated if the Board's examiners retained a copy of the records as part of an examination or supervision of a banking institution. In this case, the records would likely be exempt from disclosure under exemption (b)(8), for examination material. 5 U.S.C. 552(b)(8). In addition, the records may also be exempt under (b)(4) and (b)(6).
