

other exchanges.<sup>21</sup> The Exchange believes that the proposed definitions of OCV is reasonable, fair and equitable, and non-discriminatory, and will provide additional transparency to Members regarding the calculations used to determine volume levels for purposes of the proposed tiered pricing model.

#### *B. Self-Regulatory Organization's Statement on Burden on Competition*

The Exchange does not believe its proposed amendment to its fee schedule would impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange does not believe that the proposed changes represents a significant departure from previous pricing offered by the Exchange or pricing offered by the Exchange's competitors. The Exchange believes that its proposal to amend the qualification criteria and to incorporate OCV as proposed would not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act because the Exchange also proposed to modify the tier's related criteria in order to maintain substantially identical requirements to qualify for each tier. Additionally, Members may opt to disfavor the Exchange's pricing if they believe that alternatives offer them better value. Accordingly, the Exchange does not believe that the proposed changes will impair the ability of Members or competing venues to maintain their competitive standing in the financial markets. The Exchange

believes that its proposal would not burden intramarket competition because the proposed rates would continue to apply uniformly to all Members. As stated above, the Exchange notes that it operates in a highly competitive market in which market participants can readily direct order flow to competing venues if they deem fee structures to be unreasonable or excessive. The Exchange does not believe the proposed tiers and standard rates would burden intramarket competition as they would apply to all Members uniformly.

#### *C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others*

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any written comments from members or other interested parties.

### **III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>22</sup> and paragraph (f) of Rule 19b-4 thereunder.<sup>23</sup> At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

### **IV. Solicitation of Comments**

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

“Exchange” or “NYSE MKT”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

### I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to modify the NYSE Amex Options Fee Schedule. The proposed change is available on the Exchange's Web site at [www.nyse.com](http://www.nyse.com), at the principal office of the Exchange, and at the Commission's Public Reference Room.

### II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

#### A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

##### 1. Purpose

The purpose of this filing is to amend Section I.F. of the Fee Schedule to treat Professional Customer Qualified Contingent Cross (“QCC”) transactions the same as Customer QCC transactions.<sup>4</sup> The Exchange proposes to implement these changes effective on October 3, 2016.

Section I.F. of the Fee Schedule describes QCC Fees and Credits. Currently, the Exchange imposes the following fees for QCC transactions in Standard Options:

Participant	Standard options per contract fee or credit
Customer .....	\$0.00

<sup>4</sup> See Fee Schedule, Section I.F. (Qualified Contingent Cross (“QCC”) Fees & Credits for Standard Options & Mini Options), available here, [https://www.nyse.com/publicdocs/nyse/markets/amex-options/NYSE\\_Amex\\_Options\\_Fee\\_Schedule.pdf](https://www.nyse.com/publicdocs/nyse/markets/amex-options/NYSE_Amex_Options_Fee_Schedule.pdf).

Participant	Standard options per contract fee or credit
Non-Customer excluding Specialists and e-Specialists .....	0.20
Specialists and e-Specialists ....	0.13

Currently, Professional Customer QCC trades are charged as “Non-Customer excluding Specialists and e-Specialists.”<sup>5</sup> The Exchange also offers a Floor Broker rebate which varies based on the volume of executed QCC orders, provided there are not Customers on both sides of the transaction (“Floor Broker Rebate”).<sup>6</sup>

The Exchange proposes to treat Professional Customers the same as Customers for purposes of fees for QCC transactions. In other words, Professional Customers would be charged \$0.00 for QCC trades. Thus, the Exchange proposes to modify Section I.F. to add reference to Professional Customers (along with the existing reference to Customers) to reflect this proposed change.

Currently, the Floor Broker Rebate is not available for QCC trades where neither side of the QCC is billable (*i.e.*, Customer-to-Customer QCC transactions). Thus, by extension, the Exchange proposes that the Floor Broker Rebate would likewise be unavailable for QCC trades where there is a Professional Customer or Customer, or both, on both sides of the QCC transaction, as such transactions are all non-billable. For example, a Floor Broker executing as a QCC trade an order from a Customer buying 1,000 ABC Dec 40 Calls and an order from a Professional Customer selling 1,000 ABC Dec 40 Calls at \$2.00 would not be eligible for the Floor Broker credits. This example would also apply to QCC trades with a Professional Customer (or Customer) on both sides of the QCC transaction.

The proposal is designed to attract more QCC volume to the Exchange, because there would be no fee for Professional Customer orders, and to enhance the Exchange's competitiveness with other options exchanges that

<sup>5</sup> See *id.*, note 1 (providing a per contract rebate of either \$0.07 or \$0.10 to Floor Brokers executing qualifying QCC volume, depending on whether the Floor Broker executes 300,000 or fewer contracts (\$0.07 per contract) or more than 300,000 contracts (\$0.10 per contract)).

<sup>6</sup> See, *e.g.*, Securities Exchange Act Release No. 68139 (November 2, 2012), 77 FR 66902, 66902, n. 5 (November 7, 2012) (SR-NYSEMKT-2012-56) (noting that Professional Customers are treated as Non-Customers in filing to modify QCC fees for Specialists and e-Specialists).

likewise do not charge QCC fees on Professional Customer orders.<sup>7</sup>

##### 2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act,<sup>8</sup> in general, and furthers the objectives of Sections 6(b)(4) and (5) of the Act,<sup>9</sup> in particular, because it provides for the equitable allocation of reasonable dues, fees, and other charges among its members, issuers and other persons using its facilities and does not unfairly discriminate between customers, issuers, brokers or dealers.

The Exchange believes the proposal is reasonable, equitable and not unfairly discriminatory as it is consistent with other options markets that treat Professional Customers similar to Customers for purposes of QCC transaction fees.<sup>10</sup>

The Exchange also believes that the proposed changes are reasonable, equitable and not unfairly discriminatory because permitting Professional Customer orders to be treated similar to Customer orders (*i.e.*, not be subject to a fee) should attract more QCC transactions to the Exchange, which would continue to make the Exchange a more competitive venue for, among other things, order execution.

For these reasons, the Exchange believes that the proposal is consistent with the Act.

#### B. Self-Regulatory Organization's Statement on Burden on Competition

In accordance with Section 6(b)(8) of the Act,<sup>11</sup> the Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. Instead, the Exchange believes that the proposed change would continue to encourage competition, including by attracting additional QCC Transactions to the Exchange, which would continue to make the Exchange a more competitive venue for, among other things, order execution. The Exchange's proposal does not place on undue burden on inter-market competition because other exchanges likewise do not

<sup>7</sup> See, *e.g.*, NYSE Arca Options Fee Schedule, available here, [https://www.nyse.com/publicdocs/nyse/markets/arca-options/NYSE\\_Arca\\_Options\\_Fee\\_Schedule.pdf](https://www.nyse.com/publicdocs/nyse/markets/arca-options/NYSE_Arca_Options_Fee_Schedule.pdf); NASDAQ OMX PHLX LLC (“PHLX”) pricing schedule (Section II), available here, <http://www.nasdaqtrader.com/Micro.aspx?id=PHLXPricing>.

<sup>10</sup> See *supra* note 7.

<sup>11</sup> 15 U.S.C. 78f(b)(8).

charge Professional Customers for QCC transactions.<sup>12</sup>

The Exchange notes that it operates in a highly competitive market in which market participants can readily favor competing venues. In such an environment, the Exchange must continually review, and consider adjusting, its fees and credits to remain competitive with other exchanges. Because competitors are free to modify their own fees in response, and because market participants may readily adjust their order routing practices, the degree to which fee changes in this market may impose any burden on competition is extremely limited. For the reasons described above, the Exchange believes that the proposed rule change reflects this competitive environment.

*C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others*

No written comments were solicited or received with respect to the proposed rule change.

**III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

The foregoing rule change is effective upon filing pursuant to Section 19(b)(3)(A)<sup>13</sup> of the Act and subparagraph (f)(2) of Rule 19b-4<sup>14</sup> thereunder, because it establishes a due, fee, or other charge imposed by the Exchange.

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)<sup>15</sup> of the Act to determine whether the proposed rule change should be approved or disapproved.

**IV. Solicitation of Comments**

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:
