

RETENTION AND DISPOSAL:

CBP is in the process of drafting a proposed record retention schedule for the information maintained in the BPER SORN. CBP anticipates retaining records of arrests, detentions, and removals for seventy-five (75) years. Investigative information that does not result in an individual's arrest, detention, or removal, is stored for twenty (20) years after the investigation is closed, consistent with the N1-563-08-4-2. User account management records for ten (10) years following an individual's separation of employment from federal service; statistical records for ten (10) years; audit files for fifteen (15) years; and backup files for up to one (1) month. Records replicated on other DHS or CBP unclassified and classified systems and networks will follow the same retention schedule.

SYSTEM MANAGER AND ADDRESS:

Associate Chief, U.S. Border Patrol, Enforcement Systems Branch, U.S. Customs and Border Protection, 1300 Pennsylvania Avenue NW., Washington, DC 20229.

NOTIFICATION PROCEDURE:

The Secretary of Homeland Security has exempted this system from the notification, access, accounting, and amendment procedures of the Privacy Act because it is a law enforcement system. However, DHS/CBP will consider individual requests to determine whether or not information may be released. Thus, individuals seeking notification of and access to any record contained in this system of records, or seeking to contest its content, may submit a request in writing to the Chief Privacy Officer and Headquarters or CBP Freedom of Information Act (FOIA) Officer, whose contact information can be found at <http://www.dhs.gov/foia> under "Contacts." If an individual believes more than one component maintains Privacy Act records concerning him or her, the individual may submit the request to the Chief Privacy Officer and Chief Freedom of Information Act Officer, Department of Homeland Security, 245 Murray Drive SW., Building 410, STOP-0655, Washington, DC 20528.

When seeking records about yourself from this system of records or any other Departmental system of records, your request must conform with the Privacy Act regulations set forth in 6 CFR part 5.20, *et seq.* You must first verify your identity, meaning that you must provide your full name, current address, and date and place of birth. You must sign your request, and your signature must

either be notarized or submitted under 28 U.S.C. 1746, a law that permits statements to be made under penalty of perjury as a substitute for notarization. While no specific form is required, you may obtain forms for this purpose from the Chief Privacy Officer and Chief Freedom of Information Act Officer, <http://www.dhs.gov/foia> or 1-866-431-0486. In addition, you should:

- Explain why you believe the Department would have information on you;
- Identify which component(s) of the Department you believe may have the information about you;
- Specify when you believe the records would have been created; and
- Provide any other information that will help the FOIA staff determine which DHS component agency may have responsive records;

If your request is seeking records pertaining to another living individual, you must include a statement from that individual certifying his/her agreement for you to access his/her records.

Without the above information, the component(s) may not be able to conduct an effective search, and your request may be denied due to lack of specificity or lack of compliance with applicable regulations.

In processing Privacy Act requests for related to information in this system, DHS/CBP will review the records in the operational system, and coordinate review of records that were replicated on other unclassified and classified systems and networks.

RECORD ACCESS PROCEDURES:

See "Notification procedure" above.

CONTESTING RECORD PROCEDURES:

See "Notification procedure" above.

- (c) Business records;

records from subsecs. (c)(3) and (4); (d); (e)(1), (e)(2), (e)(3), (e)(4)(G), (e)(4)(H), (e)(5), and (e)(8); and (g) of the Privacy Act pursuant to 5 U.S.C. 552a(j)(2). In addition, the Secretary of Homeland Security has exempted portions of this system of records from subsections (c)(3); (d); (e)(1), (e)(4)(G), and (e)(4)(H) of the Privacy Act pursuant to 5 U.S.C. 552a(k)(2). These exemptions apply only to the extent that records in the system are subject to exemption pursuant to 5 U.S.C. 552a(j)(2) and (k)(2). In addition, to the extent a record contains information from other exempt systems of records, DHS will rely on the exemptions claimed for those systems.
