Title: Mergers of Federally-Insured Credit Unions; Voluntary Termination or Conversion of Insured Status, 12 CFR part 708b.

Abstract: Part 708b of NCUA's rules sets forth the procedural and disclosure requirements for mergers of federally-insured credit unions, conversions from federal share insurance to nonfederal insurance, and federal share insurance terminations. Part 708b is designed to ensure NCUA has sufficient information whether to approve a proposed merger, share insurance conversion, or share insurance termination. It further ensures that members of credit unions have sufficient and accurate information to exercise their vote properly concerning a proposed merger, insurance conversion, or insurance termination. The rule also protects the property interests of members who may lose their federal share insurance due to a merger, share insurance conversion, or share insurance termination.
