#### Certain Frozen Warmwater Shrimp From India: Initiation and Preliminary Results of Antidumping Duty Changed Circumstances Review

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** Avanti Frozen Foods Private Limited (Avanti Frozen) requested a changed circumstances review of the antidumping duty order on certain frozen warmwater shrimp (shrimp) from India. The Department of Commerce (Department) is initiating this changed circumstances review and preliminarily determining that Avanti Frozen is the successor-in-interest to Avanti Feeds Limited (Avanti Feeds).

**DATES:** Effective October 31, 2016.

**FOR FURTHER INFORMATION CONTACT:** E. Whitley Herndon, AD/CVD Operations, Office II, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230; telephone: 202–482–6274.

#### SUPPLEMENTARY INFORMATION:

##### Background

On February 1, 2005, the Department published in the **Federal Register** an antidumping duty order on shrimp from India.<sup>1</sup> In the tenth administrative review of the *Order*, Avanti Feeds was assigned a cash deposit rate of 2.20 percent.<sup>2</sup>

On September 7, 2016, Avanti Frozen requested that, pursuant to section 751(b)(1) of the Tariff Act of 1930, as amended (the Act) and 19 CFR 351.216(b), the Department conduct a changed circumstances review of the *Order* to confirm that Avanti Frozen is the successor-in-interest to Avanti Feeds.<sup>3</sup> In its submission, Avanti Frozen explained that Avanti Feeds undertook a business reorganization and transferred its shrimp business to its subsidiary company, Avanti Frozen.<sup>4</sup>

The domestic industry did not file any comment for these preliminary results.

#### Scope of the Order

The merchandise subject to the order is certain frozen warmwater shrimp.<sup>5</sup> The product is currently classified under the following Harmonized Tariff Schedule of the United States (HTSUS) item numbers: 0306.17.00.03, 0306.17.00.06, 0306.17.00.09, 0306.17.00.12, 0306.17.00.15, 0306.17.00.18, 0306.17.00.21, 0306.17.00.24, 0306.17.00.27, 0306.17.00.40, 1605.21.10.30, and 1605.29.10.10. Although the HTSUS numbers are provided for convenience and customs purposes, the written product description remains dispositive.

#### Initiation and Preliminary Results

Pursuant to section 751(b)(1) of the Act, the Department will conduct a changed circumstances review upon receipt of information concerning, or a request from, an interested party for a review of an antidumping duty order which shows changed circumstances sufficient to warrant a review of the order. As indicated in the “Background” section, we received information indicating that Avanti Feeds has transferred its shrimp business to Avanti Frozen. This constitutes changed circumstances warranting a review of the order.<sup>6</sup> Therefore, in accordance with section 751(b)(1) of the Act and 19 CFR 351.216(d) and (e), we are initiating a changed circumstances review based upon the information contained in Avanti Frozen’s submission.

Section 351.221(c)(3)(ii) of the Department’s regulations permits the Department to combine the notice of initiation of a changed circumstances review and the notice of preliminary results if the Department concludes that expedited action is warranted. In this instance, because the record contains information necessary to make a preliminary finding, we find that expedited action is warranted and have combined the notice of initiation and the notice of preliminary results.

In this changed circumstances review, pursuant to section 751(b) of the Act, the Department conducted a successor-in-interest analysis. In making a successor-in-interest determination, the Department examines several factors, including, but not limited to, changes in the following: (1) Management; (2) production facilities; (3) supplier

<sup>5</sup> For a complete description of the Scope of the Order, see 10th AR, and accompanying Issues and Decision Memorandum at “Scope.”

<sup>6</sup> See 19 CFR 351.216(d).

relationships; and (4) customer base.<sup>7</sup> While no single factor or combination of factors will necessarily provide a dispositive indication of a successor-in-interest relationship, generally, the Department will consider the new company to be the successor to the previous company if the new company's resulting operation is not materially dissimilar to that of its predecessor.<sup>8</sup> Thus, if the record evidence demonstrates that, with respect to the production and sale of the subject merchandise, the new company operates as the same business entity as the predecessor company, the Department may assign the new company the cash deposit rate of its predecessor.<sup>9</sup>

In accordance with 19 CFR 351.216, we preliminarily determine that Avanti Frozen is the successor-in-interest to Avanti Feeds. Record evidence, as submitted by Avanti Frozen, indicates that Avanti Frozen operates as essentially the same business entity as Avanti Feeds with respect to the subject merchandise.<sup>10</sup> For the complete successor-in-interest analysis, including discussion of business proprietary information, refer to the accompanying successor-in-interest memorandum.<sup>11</sup>

Record evidence, as submitted by Avanti Frozen, indicates that the shrimp business was transferred fully from Avanti Feeds to its subsidiary, Avanti Frozen. Specifically, Avanti Frozen provided a Business Transfer Agreement which transfers Avanti Feed's entire shrimp business to Avanti Frozen; approvals from various governing entities approving/confirming the transfer of the shrimp business from Avanti Feeds to Avanti Frozen; letters notifying customers, suppliers, and employees of the business transfer; Avanti Frozen's first annual report;

charts demonstrating the board of directors and equity stockholders of both Avanti Feed and Avanti Frozen; and a list of suppliers, customers, and production and business locations before and after the transfer.<sup>12</sup> In summary, Avanti Frozen presented evidence to support its claim of successorship and the transfer did not impact any of the criteria that the Department typically looks to when making a changed circumstances determination.

We find that the evidence provided by Avanti Frozen is sufficient to preliminarily determine that the transfer of shrimp operations from Avanti Feeds to its subsidiary Avanti Frozen did not affect the company's operations in a meaningful way. Therefore, based on the aforementioned reasons, we preliminarily determine that Avanti Frozen is the successor-in-interest to Avanti Feeds and, thus, should receive the same antidumping duty treatment with respect to the subject merchandise as Avanti Feeds.
