ACTION: Notice of approval and solicitation of requests for a public hearing.

SUMMARY: The Environmental Protection Agency (EPA) is hereby giving notice that the State of Missouri is revising its approved Public Water Supply Supervision Program delegated to the

Missouri Department of Natural Resources. EPA has reviewed the application and intends to approve these program revisions.

DATES: This determination to approve the Missouri program revision is made pursuant to 40 CFR 142.12(d) (3). This determination shall become final and effective on December 1, 2016, unless (1) a timely and appropriate request for a public hearing is received or (2) the Regional Administrator elects to hold a public hearing on his own motion. Any interested person, other than Federal Agencies, may request a public hearing.

A request for a public hearing must be submitted to the Regional Administrator at the address shown below by December 1, 2016. If a request for a public hearing is made within the requested thirty-day time frame, a public hearing will be held and a notice will be given in the **Federal Register** and a newspaper of general circulation. Frivolous or insubstantial requests for a hearing may be denied by the Regional Administrator. If no timely and appropriate request for a hearing is received, and the Regional Administrator does not elect to hold a hearing on his own motion, this determination will become effective on December 1, 2016.

All interested parties may request a public hearing on the approval to the Regional Administrator at the EPA Region 7 address shown below.

ADDRESSES: Any request for a public hearing shall include the following information: (1) Name, address and telephone number of the individual, organization or other entity requesting a hearing; (2) a brief statement of the requesting person's interest in the Regional Administrator's determination and a brief statement on information that the requesting person intends to submit at such hearing; (3) the signature of the individual making the request or, if the request is made on behalf of an organization or other entity, the signature of a responsible official of the organization or other entity.
