FEDERAL TRADE COMMISSION

Granting of Request for Early Termination of the Waiting Period Under the Premerger Notification Rules

Section 7A of the Clayton Act, 15 U.S.C. 18a, as added by Title II of the Hart-Scott-Rodino Antitrust Improvements Act of 1976, requires persons contemplating certain mergers or acquisitions to give the Federal Trade Commission and the Assistant Attorney General advance notice and to wait designated periods before consummation of such plans. Section 7A(b)(2) of the Act permits the agencies, in individual cases, to terminate this

waiting period prior to its expiration and requires that notice of this action be published in the **Federal Register**.

The following transactions were granted early termination—on the dates indicated—of the waiting period provided by law and the premerger notification rules. The listing for each transaction includes the transaction number and the parties to the transaction. The grants were made by the Federal Trade Commission and the Assistant Attorney General for the Antitrust Division of the Department of Justice. Neither agency intends to take any action with respect to these proposed acquisitions during the applicable waiting period.

FAR 50-103-4 sets forth additional information that the contracting officer or other agency official may request from the contractor to support any request made under FAR 50.103-3.

FAR 50.104-3 sets forth the information that the contractor shall include in a request for the indemnification clause to cover unusually hazardous or nuclear risks.

FAR 52.250-1, Indemnification under Public Law 850804, requires in paragraph (g) that the contractor shall promptly notify the contracting officer of any claim or action against, or loss by, the contractor or any subcontractors that may reasonably involve indemnification under the clause.
